Val Mackie Bio:

Started teaching in the 1990's with the German Shepherd Dog Club of Greater Victoria. Over the course of the years, I have attended multiple seminars in different dog sports to open up my mind to alternate ways to teach the same thing. In my teachings, I shared my knowledge in agility, rally, tracking and regular obedience. I have titled multiple dogs of different breeds so understand the differences in how they learn differently. My greatest accomplishment would be my year end awards with the Tyee Dog Club where my Cocker spaniel won 7 awards in one year including Top Versatility Dog.
