## Instructor & Fun Tests Judge:

**Jane McLaughlin**

This is an Introductory Workshop to the new Sport of Barn Hunt. Your dog will start to learn what the quarry smells like, work on climbing the straw bales and tunneling skills. We will focus on marking the quarry and handling techniques. All this helps prepare you for your first test, by explaining procedures and the Barn Hunt rules.

Training opportunities for the Barn Hunt beginner to experienced dogs working to complete their RATN title.

What can beginner dogs expect in the Workshop?

In a small group, our experienced instructor will lead your dog step by step from the concept of recognizing the rat in the tube to finding the hidden rat tube in the straw bails. Your dog can discover his natural hunting instincts in a safe and constructive way. You will start to recognize your dog's behaviour when it locates the tubed rat. Each dog will run by itself off leash in a fully fenced ring.

## Workshop Information
