

Canine Massage Clinic
June 10, 2010
Edmonton, AB

Chrystal Peters will be coming to Edmonton and has graciously committed to give a canine massage clinic. She is a certified massage therapist in BC and has many years experience in human massage therapy. For many years she has also increased her knowledge of canine massage. She, herself, has a canine athlete and uses massage fundamentals/technique to keep her dog in top competitive form. Chrystal is a very approachable person and so open discussion is encouraged! Whether your dog is an athlete extraordinaire or a much loved family pet, any dog can benefit from canine massage.

We will be offering an evening clinic with Chrystal to go over canine massage techniques. The class will run from 6:00 p.m. to 9:00 p.m. on Thursday evening (June 10). The cost is \$25.
