**About the seminar:**

Learn new skills that will help you become a more efficient handler on course & tackle challenges that will set you up for success in the ring! This workshop will help to improve your handling cues & work to create stronger teamwork between you and your dog. Need help improving your timing? Getting further ahead on course? Getting more drive out of a less motivated dog or staying ahead with a fast dog? This workshop is for you! Set-up's will be geared towards the skill level of your dog. Open to all levels starters through masters – I'll work with your current skill set. All handling systems welcomed.
