At:

The Camrose Regional Exhibition
4250 Exhibition Drive, Camrose, AB

Evaluators: Yvonne Halkow & Norma Jeanne Pohl

"This Canadian Kennel Club (CKC) program identifies and rewards responsible and caring owners and their canine partners! The purpose of the Canine Good Neighbour (CGN) program test is to ensure that our dogs are accepted as valued members of the community and can be counted on to present good manners at home, in public places and in the presence of other dogs. The program was created to assist canine owners in combating anti-dog sentiment and to enhance community awareness of responsible dog ownership and the benefits associated with dog ownership." (Taken from the CGN Program Participant Handbook, available from the CKC by calling the order desk at 416-675-5511 or on their website at www.ckc.ca)

This test is not a competition calling for precision performance by the handler and dog. Rather, it assesses the handler and dog's relationship together with the handler's ability to control the dog. We recommend that you read the CGN Participant Handbook so that you will be familiar with what you and your dog will be required to do.

PLEASE NOTE: Dogs will be tested in the order that their entries are received.
