

# **SOT Scenting Day**

with Kim Cooper

**Saturday, April 16, 2011**

Kim will discuss various styles of tracking and training methods (e.g., tracking through drive, footstep, air-scenting) that will be of interest to novice and advanced tracking teams alike. The topics will include Search and Rescue, competition tracking, as well as an introduction to the newer sport of K9-Nosework. The day will include indoor presentations and the use of demonstration dogs outside.

**Space is limited so register quickly!**
