Dante has been teaching agility, freestyle and obedience for the past 15 years. He was the first one to introduce clicker training to agility in Brazil and has always worked with positive training methods. He is one of the few select handlers in North America invited to teach in countries in Europe, his gift of teaching is acknowledged by many of the top trainers around the world. Since 2007 he has also been a member of the famous Superdogs Team, touring all across Canada showing his dog's skills in Freestyle Dog Dancing to millions of people.

Nowadays, he teaches seminars and workshops all year round and travels across Canada, Europe and South America competing and sharing his teachings.

Dante's goal is to always teach dogs to run fast in agility and respond happily to cues in freestyle and obedience. He's able to communicate and read dogs with amazing ease, his calm and patient demeanor has helped teams from starters to World Championships levels.
