## REGIONAL CHAMPIONSHIPS INFORMATION

### Regional Championships and Eligibility

The Agility Association of Canada's Regional Championships are a prestigious event unto themselves, as well as a steppingstone to the AAC National Championships of Dog Agility. Dogs must qualify at their Regional Championship to be eligible to enter the AAC National Championships. Although the Regional Championships are qualifiers for the Nationals, the intention is that this should not distract from the importance of the regional events.

Each Regional will consist of six qualifying runs, which shall include two Standard, two Gamblers and two Jumpers courses. Dogs must be entered and run in all six classes to be eligible to place in the Regional Championships.

The Regional Championships are open to all dogs capable of demonstrating the elements of agility, control and the mental and physical ability to carry out the required tests. A dog shall be eligible to compete without regard for pedigree.

All dogs eligible to enter an AAC Sanctioned Agility Trial are invited to participate in the Regional Championships.

A person may enter more than one dog, but no dog may be entered by more than one handler.

All dogs that have an AAC ID number are eligible to compete at the Regional level. US Residents wishing to attend a Regional Championship are broken out by Region. The Region to State listing is available on the AAC website: [www.aac.ca](http://www.aac.ca).

Dogs may enter their registered height or one height higher than that assigned on their AAC ID card. Dogs without a fully signed card must measure in. They will jump either the height they measure in at or they may jump one height higher.

**Scoring** will be under Modified Masters rules. Neither title nor legs will be awarded for participation in any of the six qualifying events at the Regional or National Championships.

Further information on the Regional and National Championships can be obtained from the AAC Nationals Steering Committee or on the AAC website: [www.aac.ca](http://www.aac.ca)

### Class Descriptions

#### *Regular Classes:*

Regular classes are open to those dogs that will be jumping their regular measured height or one jump height higher.

#### *Specials Classes:*

These classes are open to those dogs that wish to jump one jump height lower. A dog may no longer compete in the Regular class after it has competed in Specials.

#### *Veterans Classes:*

These classes are open to those dogs that are seven years of age or older, or Specials class dogs that are five years of age that have competed in Specials for a minimum of one calendar year.

### **Equipment**

All equipment conforms to AAC specifications. Electronic timing and a break-away tire will be used.

Abuse in any form, of the volunteers, competitors, judges or dogs, will not be tolerated. Anyone disrupting the trial due to poor sportsmanship or abusive behaviour will be dismissed from the trial; no fees will be refunded and any Regional points earned to that point will be cancelled.
