

# Skijoring Workshop at the Red Barn Event Centre 8464 CR 27, Barrie

Easy to learn and lots of fun, join Jan Mundy of Salty Dog Canvas and learn the basics of skijoring. This workshop starts with an indoor session that will review equipment, commands, training, dog care and places to skijor. Then we'll go outside and using positive games to teach your dog to pull you (most obedient-trained dogs don't do this naturally), begin training commands, then strap on the skis. There will be some equipment available for you to use and equipment to purchase. If there's no snow, we'll do canicross, which uses the same training commands, methods and dog harness. Dogs must be at least 14 months old and 30 pounds (13.6kg). Limited to 8 dogs, no auditing. (Jan has trained several dogs in skijoring and has been a competitive "skijorer" for 10 years.)

**Cost: \$35 per handler PLUS HST = \$39.55**
