12 EXERCISES FOR THE DRAFT DOG TEST & BRACE

DRAFT DOG TEST

12.1 Control Exercises

12.1.1 Purpose

The Control Exercises demonstrate the dog's ability to be a safe and obedient companion and worker.

12.1.2 Control will be demonstrated in a ring approximately 12.2 meters (40 feet) by 15.2 meters (50 feet). Three basic exercises will be performed:

- Heel Off Lead
- Stand Stay for 1 minute
- Down Stay for 3 minutes

12.1.3 With the exception of harnessing, hitching, and unhitching, any handler who intentionally touches his dog or the equipment to assist in an exercise will be marked failed.

12.1.4 Exercise 1 – Heel Off Lead

The dog shall be on the handler's left side and shall remain within arm's reach of the handler at all times. The lead judge shall use at least one of each of the following commands: "forward", "slow", "fast", "normal", "right turn", "left turn", "about turn", and "halt" in any order predetermined by the judge and the same for each dog. Dog and handler shall receive a "Pass" score providing the dog responds to the handler's command and remains within arm's reach of the handler. A stand at heel at the halt is acceptable.

12.1.5 Exercise 2 – Stand Stay

On command from the lead judge, the handler will stand his dog, positioning the dog comfortably if he chooses. The lead judge will give the command 'Leave your dog'. The handler shall give the dog one command to 'stay' by voice, hand signal or a combination, then will leave the dog and walk forward about 1.8 m(6 ft) and turn to face the dog. The dog shall remain in position, shifting of his weight will be allowed. The dog must remain standing from the time the handler leaves until after a one minute period when the judge tells that handler to return to the dog. Upon the handler's return, the dog will remain in position until the judge give the command 'Exercise Finished'.

12.1.6 Exercise 3 – Group Down Stay

This is a group exercise, with handlers across the width of the ring. No more than 10, nor less than 2 dogs, or 1 brace and 1 dog shall be judged at one time. On command from the lead judge, the handler will put the dog in the down position prior to removing the leash and placing it behind the dog along with the exhibitor number. The dog may be downed manually.

Continued...

The lead judge will give the command “Leave your dog.” The handler will give the dog one command to “stay” by voice, hand signal, or a combination, then will leave the dog and walk briskly to the opposite side of the ring where he will turn to face the dog. The dog must stay in position from the time the handler leaves throughout a 3 minute period, and until the handler has been told by the judge to return to the dog, the handler has returned and the dog is in heel position and the judge has said “Exercise Finished.” A person may enter more than one dog in this level. The same handler who handled each dog in the first 2 exercises must handle each dog in the Group Down, except that where a handler has handled more than one dog in the first 2 exercises, there must be an additional handler for each dog when judged together in the Group Exercises.

12.2 Carting Exercises

12.2.1 Purpose

The Carting Exercises demonstrate the dog’s usefulness as a draft animal in manoeuvring loads safely and quietly on a wheeled vehicle over a moderate distance and smooth terrain.

12.2.2 Any dog who sits or lies down while working will be marked as failed.

12.2.3 With the exception of harnessing, hitching, and unhitching, any handler who intentionally touches his dog or the equipment to assist in an exercise will be marked failed.

12.2.4 A cart or wagon will be the most suitable vehicle for this test.

12.2.5 Exercise 4 – Harness and Hitching

Handler harnesses and hitches dog in ring. The cart or wagon and harness may be brought in by an assistant or the ring steward; alternatively, the handler will put the dog on a stand stay and get the harness and vehicle himself. During the harnessing and hitching, the handler’s skill and the dog’s willingness will be judged.

12.2.6 Exercise 5–Manoeuvres

The lead judge will direct the handler to perform a series of manoeuvres to test the ability of the dog to be a carting companion. The lead judge shall use each of the following orders at least twice: ‘forward’, ‘left turn’, ‘right turn’, ‘halt’. The lead judge shall use the following order at least once: ‘slow’. The ‘change of pace’ must be shown for a distance of no less than 1.2 meters (4 feet).

12.2.7 Exercise 6-Figure 8

The lead judge will direct the handler to manoeuvre through a figure 8 course. Upon completion the lead judge will give the order ‘exercise finished’.

12.2.8 Exercise 7 – Backup

The dog must be backed up while hitched for a distance of at least 1.2 m (4 ft). Both dog and vehicle must move backwards.

From time to time people tell me, "Lighten up, it's just a dog," or, "That's a lot of money for just a dog." They don't understand the distance traveled, time spent, or costs involved for "Just a dog." Some of my proudest moments have come about with "Just a dog." Many hours have passed with my only company being "Just a dog," and not once have I felt slighted. Some of my saddest moments were brought about by "Just a dog." In those days of darkness, the gentle touch of "Just a dog" provided comfort and purpose to overcome the day.

If you, too, think its "Just a dog," you will probably understand phrases like "Just a friend," "Just a sunrise," or "Just a promise." "Just a dog" brings into my life the very essence of friendship, trust, and pure unbridled joy. "Just a dog" brings out the compassion and patience that makes me a better person. Because of "Just a dog" I will rise early, take long walks and look longingly to the future.

For me and folks like me, it's not "Just a dog." It's an embodiment of all the hopes and dreams of the future, the fond memories of the past, and the pure joy of the moment. "Just a dog" brings out what's good in me and diverts my thoughts away from myself and the worries of the day.

I hope that someday people can understand it's not "Just a dog." It's the thing that gives me humanity and keeps me from being "Just a man or woman."

So the next time you hear the phrase "Just a dog," smile, because they "Just Don't Understand."

The four wavy white and three wavy blue lines symbolize the province's location between the [Pacific Ocean](#) and the [Rocky Mountains](#). The setting sun represents the fact that British Columbia is [Canada's](#) westernmost province. The sun may also reflect the provincial motto "Splendor sine occasu" (beauty that never diminishes) -- or, in other words, the sun that never sets (on the British Empire). In Canada, it could be argued, the Empire lives on in the country's symbols and parliamentary institutions. COWICHAN CANINE PRESENTS: TERRY RYAN and CHICKEN CAMP 101 2-5 Oct 2012

Why Dog Owners (and Trainers) Should Train Chickens

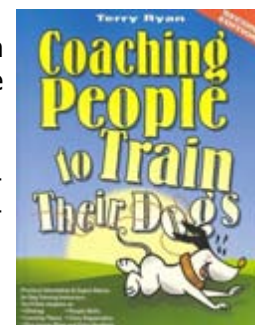

Trainers are not "bonded" to their chickens. Chickens do not have big brown eyes. Trainers do not have bad (or good!) chicken training habits, because they've never trained a chicken before, thus avoiding the baggage often taken to dog training workshops. You will not be showing your chickens at the next performance event, nor will you be taking them home, so there is no pressure on what will happen in the future. You probably do not have a library full of chicken training books and DVD's to influence you, much less television shows on chicken training.

Training a chicken to learn basic theory and mechanical skills is both a stretch and a boost to you. The average chicken is faster than the average dog, giving you a chance to improve your coordination and timing. This seminar is for anybody with a strong interest in animal training.

THE BEST OF COACHING 6-7 Oct 2012

"Coaching" is a good foundation for new instructors, whether involved with pet, competition or 4-H classes; it is based on Terry's book by the same name, which students receive as part of the course.

The course is also great for experienced instructors as a forum for exchanging ideas, combating instructor burnout, or just seeing what's new or different.
