

DISTEMPER AND PARVO TITRES

Every Spring I offer a blood draw clinic to collect samples from our fellow dog enthusiast's much beloved companions and arrange shipping to Hemopet for Distemper & Parvo vaccine titre testing.

Date: Saturday, May 5, 2018 in conjunction with the GRCBC Eye & Heart Clinic

Location: 2887 184th Street, Surrey

If you are interested in participating in the Titre Clinic, please fill out the paperwork available to download from the site:

<http://www.hemopet.org/veterinary-diagnostic-laboratory.html>

Reminders:

- Include your Credit Card info for the lab fee for the specific tests requested
- Email address for the results to be sent to

This form goes with the blood sample collected from your dog.

The samples will be packaged and shipped to Hemopet that week. You will be notified directly from the lab of the results as soon as they are available (usually within a couple of days for completion of the tests).
