## **MICHAEL AND SANDY GELINAS**

We started in pure bred dogs together, acquiring our first show dog in 1975. "Petrol" a Doberman won the breed from the classes at our first All Breed Show, and we were hooked.....and so it began.

We have successfully shown dogs in three countries; enjoying many major specialty show wins in Canada and the United States. We have handled other breeds along the way, Alaskan Malamutes, Boxers, Whippets, Great Danes, and Newfoundland's.

We added Cavaliers to our home in 1995 which brought some humor and some hair! They are a good mix for us and a joy to live with; Our Cavaliers have had wonderful wins at Toy & Cavalier Specialties also of note a ROM awarded from The CKCCC. We still breed Dobermans & Cavaliers occasionally and like to exhibit our class dogs to their championships, we know how to appreciate a breeder, owner, handler, win and we think it keeps you humble.

We have been active in supporting the Sport of purebred dogs for most of our adult lives, organizing and hosting countless numbers of All Breed Shows, National & Regional Specialties, Educational Seminars and Training Classes.

We had the wonderful experience of hosting The Purina National in 2014

We are Life Members of the Canadian Kennel Club. Sandy has served on the CKC's Events Officiating Committee. We are long time members of the Elgin County Kennel Club, founding members of the Monarch All Breed Kennel Club & the Thames Valley Doberman Pinscher Club; we serve on the executive of these clubs.

Our judging careers started in the mid 90's, we have had the honor to judge Specialty & All Breed assignments in Canada, the United States, Mexico, Bermuda, Australia and Argentina.

Michael now retired was employed as the Manager of sales for a large building supply company, Sandy works as a Privacy Specialist for the London Health Science Centre.

Thank you for inviting us to judge your show.

## **JUDITH TAYLOR**

I bred my first litter, a collie, in 1963. Thereafter, I have only bred Golden Retrievers & for a brief time with my husband at the time, Brian Taylor, a couple of litters of Irish Setters.

I have been breeding Goldens for most of my life, accumulating 53 years! As a professional all breed dog handler for 38 years, there are many breeds of dogs that I know and love and I do appreciate most breeds of dogs! In 1993 I was awarded Top Handler of the Year by the PHAC. Some of my favourite breeds to show were Rottweilers, German Shepherds, and Great Danes.

After achieving somewhat success in both conformation and now the "hunt test" titles with my Goldens, there is a renewed respect for 'form = function' and as a licensed "dog judge" I will certainly keep this in mind when I pass judgment on any dog that was bred for a purpose.

A great deal of pleasure is achieved when I judge, this being in North America, China & Mexico.

# **OBEDIENCE / RALLY OBEDIENCE**

## **GWEN ROSWELL**

I started in the world of dog training and showing as a teenager with a Norwegian Elkhound who definitely was not going to be trained as an obedience dog but was a beautiful, loving companion. Cindy taught me that the dog world was where I wanted to be and it took many years to have another dog, since then I have been owned by Doberman Pinschers and Shetland Sheepdogs. They have earned their Utility titles in Canada and the U.S.A. as well as ASCA and UKC Obedience and Rally titles. I am an Obedience and Rally Judge and am looking forward to many years of training and judging beautiful dogs.

## **LORI IVERSON**

Lori has bred German Shepherds under the Nobler prefix for 30 years. Her first dog was unregistered but upon joining the GSDC of Manitoba club in Jan 1979 the world of breeding and exhibiting purebred dogs was opened up. The Nobler kennel name can be found on over 50 champions and on many Best in Show and Best in Specialty winners. As well, Lori handled many other breeds when living in Manitoba, primarily Herding, Working and Sporting breeds. On the Education Committee for the GSDC of Canada, Lori has co-produced 2 ringside mentoring programs at 2 National Specialties for judges and breeders. Currently, she is involved with Alberta Junior Handlers as a coach, as well as mentoring other breeders in establishing their breeding programs.

## **PAUL PRICE**

Paul has been an animal advocate and dedicated dog owner all his life. He has had various mixed breeds, beagles and shelties prior to settling on his breed of choice, the Irish Water Spaniel (IWS). Paul is an avid upland and waterfowl hunter and loves to work his dogs in the field and enjoys rally and regular obedience.

He encountered his first IWS in the early 1970's when, as a teenager, a British army officer attending the Royal Military Staff College in Kingston moved into his acreage community with 2 IWS. It was love at first sight and he swore that one day he would have an IWS. After graduating university, he moved west to Calgary with his sheltie Kailin by his side to work as a petroleum exploration geologist. He then convinced his friend and now wife, Paula, to join him in Calgary. When their much-loved Kailin passed at 15 years old, they felt it was time to get another dog and started the search for an IWS. It took over 2 years to find the right one but it was one special dog, "Mr. Red" aka Torin (MBIS/BISS Can GrCh/Amer/Fin/Est Ch Mystic Torin CD RN WC). Paul has bred and owned numerous top winning IWS at the CKC, AKC and international Breed, Group and Best in Show levels (BIS/BISS/BPIS) and his dogs have sired top winning IWS around the world. Torin compiled win records that after more than 15 years still have not been broken. He started the Coomara IWS line and what a start it was producing top winning sons and daughters and now grand kids and great grandkids.

Paul loves dogs of all breeds (especially puppies and veterans), enjoys ring stewarding and competing in both rally and regular obedience and in working certificate and hunt tests. He continues to breed IWS and is a strong voice for responsible dog ownership and for protecting pure bred dogs. He is active in local dog clubs and the CKC (a former registration committee member). He continues to breed and hunt his IWS under his CKC registered kennel name (Coomara) and is now working towards becoming a licensed CKC conformation judge.
