Payment and Refund Policy

Soaring Paws Agility (SPA) budgets for and hires seminar presenters based on filling a specific number of working spots. Presenter, presenter's travel costs, and facility costs are the same amount of money regardless of how many people attend the seminar/ event. A waiting list will be maintained, however, if you cancel ***refunds will only be issued if I can fill your working spot.*** Further, I would like to continue to offer the payment plan option at future events to keep agility affordable and accessible for everyone. Please ensure your payments reach me by the specified dates. If I do not receive one of your payments, your working spot will be forfeited and no refund issued unless I can fill your spot.

To hold a **working spot** in the seminar, a cheque or interac payment for the *non-refundable deposit* of \$100.00 (**or the full amount if you are in the gamble or puppy session**) and a **signed and dated copy of the waiver (attached with the entry form)** is required with your entry.

If you are participating in the payment plan, you must indicate so on your entry. Please ensure that your payments reach me by the dates listed above (see above for refund policies). If you so choose, you are also welcome to include two post-dated cheques with your entry. I can also accept Interac e-transfer payments.

For an auditing spot, please include a cheque for the full amount and a signed waiver with your entry.
