Class Descriptions:**Standard Class:**

Gamblers Class:

This game demonstrates the handler's strategy and the dog's ability to work at a distance from the handler. The object of the game is to accumulate as many points as possible during the opening sequence and successfully complete the Gamble.

Snooker Class:

This game demonstrates the handler and dog's versatility as they work together against the clock. The object of the game is to accumulate as many points by successfully completing as many obstacles as possible in the prescribed order within time.

Jumpers Class:

This game demonstrates a dog's natural jumping ability. The dog is required to complete a course comprised of jumps and tunnels as prescribed by the judge.

Steeplechase: This game demonstrates the dog's ability to run and jump at high speeds while maintaining control on the A-frame and weave poles. This class is open to all dogs eligible to compete in other AAC qualifying events at the Starters, Advanced or Masters Level.

Category Descriptions:

FEO (For Exhibition Only): Open to all dogs, 18 months of age or older with an AAC ID number, as described within the current AAC rules. The handler can choose to enter a dog FEO in any division, any class and/or any height but they will not be competing for placements, titles or prizes and the results will not be reflected on the dog's permanent record.

Regular Category: This Category is open to all dogs, 18 months of age or older, as described within the current AAC rules. Jumps are set at the height determined by their measurement. At the handler's discretion, the dog may also run with jumps set one jump height higher than its regular jump height.

Specials Category: The Specials Category shall be open to all dogs. Once a dog has entered an official trial in the Specials class, they may no longer compete in the Regular class unless they make a special application entitled "Request for Official Move from Specials Class Level to Regular Class Level". This move may only be done once during a dog's career. Dogs must run with jumps set at one height lower.

Veterans Category: This Category is for dogs seven years of age or older. This class is also open to dogs five years of age or older who have been competing in the Specials class level for a minimum of twelve months.

Single Drop and Double Drop Veterans: All Veteran Category dogs must jump at least one jump height lower than the lowest of the two Regular jump height options (Single Drop Veteran Dog), and may jump two jump heights lower (when a lower jump height is available), at the handler's discretion (Double Drop Veteran Dog). Handlers can opt to have their dogs jump at either allowable height at any given trial, provided they enter and jump the same height for all classes at that particular trial.

Junior Handler Category: This Division is open to handlers under 18 years of age, as described within the current AAC Rules, with a valid Junior Handler identification number. Junior Handlers may run under Junior Handler rules or as a Junior Handler under regular rules. If under Junior Handler rules, titles are awarded to the Junior Handler, not the dog.

Additional information about the classes and title requirements is available in the AAC Rulebook, available online at www.aac.ca.

Notice to Competitors:

Competitors, through submission of entry, acknowledge that they are knowledgeable of AAC Rules and Regulations, including but not limited to the following:

- ✿ This event is held under AAC rules and regulations and is open to all dogs at least 18 months of age, purebred or mixed breed, except bitches in season, aggressive dogs, or dogs suffering from any deformity or illness which may affect the dog's physical or mental performance (judges' discretion).
- ✿ All dogs must have an AAC number before their entries will be accepted in an AAC sanctioned trial, which must be produced at measure in. Dogs with numbers pending will not be eligible to compete. Any dog without a card, under two years of age, or without two official measurements on their ID card must be measured before competing. A dog over 23" at the withers can have a signed ID card before two years of age. Dogs must have 2018 measurements.
- ✿ Competitors whose dogs measure up may run For Exhibition Only (FEO) if the dog is not prepared to jump the higher heights. No qualifying scores or awards may be earned.
- ✿ Entry forms may be photocopied, but **MUST** include the entry form, agreement and signature in their entirety.
- ✿ Entries and payment must be received by the closing date and are payable in Canadian Funds.
- ✿ The host club reserves the right to refuse any entry for cause which they deem sufficient.
- ✿ By AAC rules, entries are not valid until full payment of entry fees has been made. Tendering of an NSF cheque in payment of entry fees shall be considered non-payment of entry. In addition, there will be a \$25.00 service charge for each returned cheque, regardless of whether the dog/handler compete in the event.
- ✿ After the closing date, refunds will only be given to competitors if a bitch comes into season or the dog or handler is injured sufficiently to prevent them from competing. The Trial Secretary must be informed prior to the trial date and a certificate from a veterinarian must be provided. All refunds made will be less any AAC or other administrative fees owing on the entry. There will be a minimum \$20 charge for refunds for another reason other than those listed in this point.
- ✿ All entries will be confirmed via email only where a valid email address is supplied. If supplying an email address, please ensure that it is valid and legible. If you don't have a valid email address and want your confirmation emailed, please ask a friend to receive it for you.
- ✿ No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, Acts of God, public emergency, an act of public enemy, or any other cause beyond the control of the organizing committee.
- ✿ We will accommodate handlers running more than one dog to the extent possible. Running order will be determined at the club's discretion. Any dog and handler not present for their run when their name is called will be ineligible to run, unless prior arrangements are made with the gate steward.
- ✿ No leads, collars, food, toys or any other aids or devices shall be permitted on the course at any time. Toys and food shall not be permitted within 10 feet of the ring. Please be considerate of competitors and refrain from using clickers or squeaky toys while a dog is in the ring.
- ✿ All dogs must be penned, crated or leashed when not in the ring, and may not be tied to any obstacle, permanent or temporary, anywhere on the grounds of the trial site. Dogs are not to be left unattended unless appropriately crated. Please take responsibility for your dogs.
- ✿ **Any exhibitor whose dogs create unnecessary disturbances (including continuous barking while not on the competition field), or engage in unsafe or disruptive behaviour, may be asked to leave the trial site.** There will be no refunds for entries if an exhibitor is dismissed from competition for any reason.
- ✿ Any dog engaging in aggressive behaviour at any time will be required to leave the trial grounds. As well, any handler displaying inhumane or aggressive treatment of any dog while on site will be asked to leave. In such cases, no refund of fees will be given.
