Bobby

Our first race meet of the season had a total of 22 entries but 4 absentees reduced the racers to 18. It was a sunny, warm day with a bit of a wind that made it comfortable.

Congratulations are due to Vigo and Wylee who both attained their SRChX title.

The seven puppies all ran the full 200 yard track and performed very well. There were no singles despite many requests as we no longer run singles on official race day but they are welcome to attend practices.

Our new state-of-the-art custom designed and engineered starting box performed perfectly. It sits flat on the ground and opens faster and quieter than the previous old box.

It was the general opinion among the participants that the hounds had improved starts due to these features.

We look forward to seeing you at the next race meet June 10th

Contrary to a rumour making the rounds it was not Haydn's speedy Whippet "Zeus" who attended the Alberta Lure Coursing Association trial.
