DIRECTIONS TO JURA STOCK RANCH

Take Hwy. #3 into Princeton (from either east or west) and turn towards town onto Bridge Street (Petro Canada station on the corner). Immediately turn right onto Hwy. #5A. Take Hwy. #5A over the steel bridge and just around the curve up the hill turn right onto Old Hedley Road.

If coming across the US border in western Washington, take the Sumas/Huntington crossing. This crossing will take you directly to Hwy. #1 eastbound. Once you get to Hope (about 1 to 1 ½ hours) you will see the sign for Hwy. #3 which goes off to the right.

If crossing in eastern Washington take the Oroville/Osoyoos crossing and proceed north on Highway 97 until you reach Highway #3 and turn left/west.

If you are coming into Princeton from Hwy. #5A North (Merritt, etc.) stay on it until there is a turn to the left just as you come over the hill into town. (A marker is the road sign warning of a change to speed of 70 km/hr.) Turn left onto Old Hedley Road.

From Old Hedley Road, quite quickly you will turn left onto Princeton/Summerland Road (also know as Osprey Lake Road) Drive past the fair grounds and stay on that same road for approximately 7 km. You will pass Belfort Road on your left and then the road bends to the right. You will see a sign on your right for Jura Stock Ranch/Maverick Saloon. Turn right into the driveway and you are there!

The BCABPC is grateful to the Jura Stock Ranch & the Crimmon Family for the use of these grounds. Please respect and abide by all good neighbour rules. Please clean up all garbage before leaving, no matter how small, and make an effort to leave the grounds cleaner than you found them. Spread all manure and waste hay, and fill in dog holes.

MOST IMPORTANT: No smoking or open flame of any kind will be permitted outside of your vehicle. This area is extremely dry and sensitive to the smallest spark. Please respect the land owners' wishes and abide by this rule. Field trialers have always been known for their willingness to pitch in when needed. If you see a project that you think the ranch owners would appreciate please let us know. Our group's sweat equity will go a long way to allowing us to keep these grounds for future trials.
