I agree to respect the tracking fields and property used in the seminar. On private property, I will pick up after my dog and myself. For the safety and security of other dogs and participants I will keep my dog under control throughout the seminar on a leash or a line unless instructed otherwise while the seminar is in progress.

I understand that I am responsible for following municipal bylaws regarding leash laws and picking up after my dog. I understand that when my dog is not working, I will be required to confine it in my vehicle or in a crate and that it is my responsibility to ensure my dog's comfort and safety. I assume full responsibility for my dog's well being and safety during the seminar and while training.

I understand that this seminar does not qualify my dog or me for Search and Rescue, police or other official tracking services.

I will allow positive photos of my dog and me in this seminar to be published by Central Alberta Tracking Society to the Club's public FB page and/or website. I will respect the copyright of any handouts provided.

I understand that I can ask to videotape my own dog and a critique of my track, but will not videotape other dogs without the consent of the handler/owner, nor will I videotape or record the presenter without their consent. I understand that activities in the seminar will include driving, parking and walking along with activities related to training my dog for the sport of tracking.

I take part in this seminar voluntarily, and release the host, Central Alberta Tracking Society's executive & members, the instructor/presenter, Jeff Shaver, as well as any guest presenters from any and all liability connected with the activities, and any and all risks, liabilities and responsibilities for accidents, damages or harm arising therefrom.
