## **All Around Heeling Competition and Crazy Eights**

**Ottawa Doggy Daycare & Training Centre March 16/12 9:30 AM**

**Judges: Sharlene Manderson...Ottawa, Ontario**

**Gail Wormington ...Montreal, Quebec**

**The testing will include:**

- (1) - Two 5 minute variable heeling patterns under each judge**
- (2) - Two (no time limit) variable Figure 8 patterns under each judge**

- Judges will run a "Go Dog" to give a sample of each of their routines.**
- Actual run may vary to each judges' discretion.**
- Variations of patterns are possible for different dogs because of the nature of the exercises and will be at the judges discretion.**
- Deductions in each exercise will be totaled under both judges and will make up the results of the final score for each dog.  
The least points deducted, will be the winner.**
- Extra commands given by the handler, will be cause for point deductions based on the judges' discretion.**
- In the case of ties in the overall judging, the 2 judges will be requested to judge any run offs to decide the higher scoring dog.**
- The decision of the judges shall govern all scoring and will be final. The total scoring or points lost, will be deducted from a starting score of 100 points.  
(point deductions will be ½ point or more based on judges scoring).**
