Event Registration Numbers & Canine Companion Numbers

All dogs that are foreign-born and foreign-owned and enter Canada for the sole purpose of entering Canadian Kennel Club events will no longer require a CKC registration number, but will require an ERN (Event Registration Number). This ERN does not register a dog with CKC for breeding purposes as defined in the Animal Pedigree Act, but rather enables a foreign-owned dog to be awarded titles by the Canadian Kennel Club. Each dog must have its own number. Mixed breeds and unrecognized breed dogs must have a CCN (Canine Companion Number) to participate in the CKC Obedience Trials at these Shows. ERN and CCN registration forms may be downloaded from the CKC website: <http://www.ckc.ca>

OBEDIENCE CLASSES:

No dog may be entered in both Novice "A" and Novice "B", Open "A" and Open "B" at the same trial. In determining class eligibility, if a dog shall have won a particular title before being entered or moved up, the handler shall have been notified by at least 2 different judges that the dog has won 3 qualifying scores for the required title. (However, a dog may continue to be exhibited for 60 days in a class after winning a particular title.) Dogs fulfilling the requirements for a title may be moved to the next level of competition if the schedule permits. The transfer must be on the appropriate move-up form and submitted to the show secretary at least 15 minutes before the start of the class.

PRE-NOVICE - The Pre-Novice class is an elective class and earning the title is not a requirement to enter Novice classes. The Pre-Novice class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed which has not earned the title of P.C.D. Dogs in this class may be handled by the owner or any other person. A person may enter more than one dog in this class. The same handler must handle each dog in all 5 exercises unless he has 2 or more dogs entered. In such cases, he must have an additional handler for each extra dog when they are judged together in the group exercise. Only dogs that have not earned the title of C.D. may enter the Pre-Novice class.

NOVICE A - The Novice A class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed which has not earned the title of C.D. Only one dog per handler is allowed in this class, and that person must handle the dog in all exercises. The handler of any dog in this class must be the owner, co-owner or a member of their immediate families. No person who has trained or exhibited a dog that earned a C.D.X. title shall be allowed to handle a dog in this class.

NOVICE B - The Novice B class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed which has not earned the title of C.D. Dogs in this class may be handled by the owner or any other person. The owner or any other person may handle a dog in this class. A person may enter more than one dog in this class. The same handler must handle each dog in all 6 exercises unless he has 2 or more dogs entered. In such cases, he must have an additional handler for each extra dog when they are judged together in the group exercises.

NOVICE C - The Novice C class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed that has earned the title C.D. or any higher obedience titles. Dogs in this class may be handled by the owner or any other person. A person may enter more than one dog in this class. The same handler must handle each dog in all 6 exercises unless he has 2 or more dogs entered. In such cases, he must have an additional handler for each extra dog when they are judged together in the group exercises. Dogs may compete in Novice C indefinitely. Scores earned by dogs in the Novice C class are not eligible for High In Trial and do not qualify a dog for any title. Dogs may be entered in the Novice C class in addition to any other official or unofficial classes for which they are eligible.

NOVICE INTERMEDIATE - The Novice Intermediate class is an elective class and earning this title is not a requirement to enter the Open classes. The Novice Intermediate class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed that has earned a C.D. or any higher obedience trial titles. Dogs in this class may be handled by the owner or any other person. A person may enter more than one dog in this class. The same handler must handle the dog in all 6 exercises. Dogs may compete in the Novice Intermediate class indefinitely. Scores earned by dogs competing in this class are not eligible for High in Trial. Dogs may be entered in the Novice Intermediate class in addition to any other official or unofficial classes for which they are eligible.

New-OPEN HA - The Open HA class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed which has earned the title of C.D. but has not earned the title of C.D.X. The handler of any dog in this class must be the owner, co-owner or member of their immediate families. Only one dog per handler is allowed in this class, and that person must handle the dog in all exercises. Any person who has trained or exhibited a dog that has earned a U.D. title may not handle a dog in this class. Group exercises in Open HA are out of site as before in the original open classes.

Dogs in this class may be handled by the owner or any other person. A person may enter or handle more than one dog in this class. The same handler must handle each dog in all 7 exercises unless he has 2 or more dogs entered. In such cases, he must have an additional handler for each extra dog when they are judged together in the group exercises. Prior to the start of judging, the judge will choose which of the six numbered routines is to be performed. This choice will not be disclosed to the exhibitors until it is posted at ring side at least 30 minutes before the start of the class. In future assignments, judges are required to alternate the six routines so that each set will be used approximately the same number of times. Group exercises in Open HB are out of site as before in the original open classes .

CANADIAN KENNEL CLUB SCHEDULE OF CHAMPIONSHIP POINTS

A dog awarded Winners at a conformation show shall be credited with a number of championship points (ranging from 0 to 5) and the number of championship points credited to a dog awarded Winners shall be as provided here under. The schedule to be employed in the determination of the number of points awarded Winners shall be as follows:

Dogs Competing	1	2	3 to 5	6 to 9	10 to 12	13 & More
Points Allocated	0	1	2	3	4	5

*Includes the dog awarded Winners

In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall not be included in the calculation for championship points. If a dog awarded Winners is also awarded Best of Breed at the show, then all dogs competing in the breed, including Specials Only, shall be included in the total. If a dog awarded Winners is also awarded Best of Opposite Sex to Best of Breed, then all dogs of the same sex including those competing in Specials Only shall be included in the total. If a dog awarded Winners is also awarded Best of Winners, then all dogs defeated directly or indirectly in the breed shall be included in the total. If a dog is awarded Winners only, then all the dogs of the same sex in the class competition shall be included in the total. The number of championship points to be credited to a dog awarded Winners shall be determined by the highest award earned and calculated as per this section.

Clarification:

Example of directly or indirectly defeating: If the Winners Bitch is awarded Best of Opposite Sex but not Best of Winners, the Best of Winners Dog shall be deemed to have indirectly defeated the Specials bitches, and is thus entitled to add them to the number of dogs and bitches defeated.

In addition to championship points allocated at the breed level, a dog awarded Best of Breed that also places in the regular group competition shall be credited with the following additional points provided that a dog was defeated at the group level.

Number of Dogs Competing at Group Level	Dog Placed First	Dog Placed Second	Dog Placed Third	Dog Placed Fourth
13 or more	5	4	3	2
10 to 12	4	3	2	1
6 to 9	3	2	1	1
5	2	1	1	1
4	2	1	1	0
3	2	1	0	0
2	1	0	0	0
1	0	0	0	0

A dog may not be credited with more than five (5) championship points in a single show.

Permission shall be granted a club or clubs to hold shows in such a way that any dog may earn three (3) sets of championship points on the same day, provided that one or more of those sets of points is awarded at a specialty for that breed or group. A dog awarded Winners that also places Best in Show at an all-breed conformation show shall be credited with five (5) championship points inclusive of any points earned at the breed and group level. In order for a dog to be recognized as a champion and its owner provided with a championship certificate, the dog must: (a) earn at least 10 championship points under at least three (3) different judges; (b) be registered in the records of the CKC, have an Event Registration Number (ERN) or have a Miscellaneous Certification Number (MCN); (c) have earned at least one 2-point win either at the breed or group level.

The Board interprets the words "earn at least 10 championship points under 3 different judges" to mean: (a) Three (3) or more Winners awards at not less than three (3) different shows, under three (3) different judges at the breed level; (b) each of the three (3) judge's awards must be one or more championship points won at Winners, Best of Winners, Best of Breed or group placing; (c) all points required for championship status may be earned at Winners, Best of Winners, Best of Breed or group placing.

Grand Champion (GCh) Point Schedule

The title of Grand Champion may only be earned after the completion of the CKC conformation championship.

Points for this title are only accumulated after the completion of the conformation championship and do not include the points earned in attaining the conformation championship. To be awarded a Grand Champion title, a dog must attain a minimum of 20 points, which must include a minimum of two (2) wins of at least two (2) points each. Points may be gained at breed, group or Best in Show/Specialty level. Only the highest points earned at a single show are carried forward. (a) Grand Champion Point System

Points towards the Grand Champion title, at breed level, are awarded to the Best of Breed, Best of Opposite Sex, Select Dog and Select Bitch. Points are calculated based on the number of animals competing at the breed level for the Best of Breed winner and the number of similar-sex dogs competing for the other three (Best of Opposite, Select Dog, Select Bitch). The following schedule shall be employed in the determination of points awarded at breed level:

Dogs Competing	1	2	3 to 5	6 to 9	10 to 12	13 or More
Points Allocated	0	1	2	3	4	5

Points awarded beyond breed level shall be:

Number of Dogs Competing at Group Level	Dog Placed First	Dog Placed Second	Dog Placed Third	Dog Placed Fourth
13 or More	5	4	3	2
10 to 12	4	3	2	1
6 to 9	3	2	1	1
5	2	1	1	1
4	2	1	1	0
3	2	1	0	0
2	1	0	0	0
1	0	0	0	0

Best in Show (5 points)(b) In order to obtain a Grand Champion title, a dog must obtain at least two (2) points after 12 months of age.

In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall not be included in the calculation for Grand Champion points.

Grand Champion Excellent (GChEx)

The title of Grand Champion Excellent may only be earned after the completion of the CKC grand championship title.

Points for this title may be accumulated at any time after the completion of the CKC grand championship but does not include the points earned in attaining the conformation championship or the grand championship. A minimum of 100 points, which must include one (1) Best in Show or a Best of Breed at a breed national specialty (where a minimum of 10 dogs have competed) plus three (3) Group 1st or three (3) breed specialty wins.

Grand Champion Excellent point system

Win	Points
First in Group or Best in Specialty Show	5
Second in Group of Best of Opposite Single-Breed Specialty Show	4
Third in Group	3
Fourth in Group (Note: No points are acquired if no other dog is present in the group.)	2
Best of Breed (To earn the breed point, at least five (5) dogs must be shown at breed level.)	1
Best in Show or Best in National Specialty Show	10

Only the highest points earned at a single show are carried forward. For example, a dog that wins first in group and then wins Best in Show, earns 10 points, not 15.

The title of Grand Champion Excellent shall not be awarded retroactively. However, dogs that have been awarded the Grand Champion title prior to January 1, 2013, will be awarded the Grand Champion Excellent title on application to the CKC.

Additional Requirements To attain a Grand Champion Excellent title, a dog must have been awarded a CKC performance title from any CKC event. A CGN, Herding Tested certificate or Chase Ability Program title are not considered performance titles for the awarding of this title.
