BORDER CROSSING

A Rabies Certificate is required to bring a dog into Canada.

OBEDIENCE CLASSES

No dog may be entered in both Novice "A" and Novice "B", Open "A" and Open "B" at the same trial. In determining class eligibility, if a dog shall have won a particular title before being entered or moved up, the handler shall have been notified by at least 2 different judges that the dog has won 3 qualifying scores for the required title. (However, a dog may continue to be exhibited for 60 days in a class after winning a particular title.)

Dogs fulfilling the requirements for a title may be moved to the next level of competition if the schedule permits. The transfer must be on the appropriate move-up form and submitted to the show secretary at least 15 minutes before the start of the class.

PRE-NOVICE - The Pre-Novice class is an elective class and earning the title is not a requirement to enter Novice classes. The Pre-Novice class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed which has not earned the title of PCD. Dogs in this class may be handled by the owner or any other person. A person may enter more than one dog in this class. The same handler must handle each dog in all 5 exercises unless he has 2 or more dogs entered. In such cases, he must have an additional handler for each extra dog when they are judged together in the group exercise. Only dogs that have not earned the title of CD may enter the Pre-Novice class.

NOVICE A - The Novice A class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed which has not earned the title of CD. Only one dog per handler is allowed in this class, and that person must handle the dog in all exercises. The handler of any dog in this class must be the owner, co-owner or a member of their immediate families. No person who has trained or exhibited a dog that earned a CDX title shall be allowed to handle a dog in this class.

NOVICE B - The Novice B class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed which has not earned the title of CD. Dogs in this class may be handled by the owner or any other person. The owner or any other person may handle a dog in this class. A person may enter more than one dog in this class. The same handler must handle each dog in all 6 exercises unless he has 2 or more dogs entered. In such cases, he must have an additional handler for each extra dog when they are judged together in the group exercises.

NOVICE C - The Novice C class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed that has earned the title CD or any higher obedience titles. Dogs in this class may be handled by the owner or any other person. A person may enter more than one dog in this class. The same handler must handle each dog in all 6 exercises unless he has 2 or more dogs entered. In such cases, he must have an additional handler for each extra dog when they are judged together in the group exercises. Dogs may compete in Novice C indefinitely. Scores earned by dogs in the Novice C class are not eligible for High In Trial and do not qualify a dog for any title. Dogs may be entered in the Novice C class in addition to any other official or unofficial classes for which they are eligible.

NOVICE INTERMEDIATE - The Novice Intermediate class is an elective class and earning this title is not a requirement to enter the Open classes. The Novice Intermediate class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed that has earned a CD or any higher obedience trial titles. Dogs in this class may be handled by the owner or any other person. A person may enter more than one dog in this class. The same handler must handle the dog in all 6 exercises. Dogs may compete in the Novice Intermediate class indefinitely. Scores earned by dogs competing in this class are not eligible for High in Trial. Dogs may be entered in the Novice Intermediate class in addition to any other official or unofficial classes for which they are eligible.

OPEN A - The Open A class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed which has earned the title of CD but has not earned the title of CDX. The handler of any dog in this class must be the owner, co-owner or member of their immediate family. Only one dog per handler is allowed in this class, and that person must handle the dog in all exercises. Any person who exhibited a dog that has earned an OTCH title may not handle a dog in this class. When a dog is wrongfully entered in these classes, any scores awarded will be cancelled.

OPEN B - The Open B class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed which has earned the title of CD. Dogs which have earned the title of CDX or any higher titles may enter in the Open B class. A dog may also be entered in the Utility Class in the same trial. Dogs in this class may be handled by the owner or any other person. A person may enter or handle more than one dog in this class. The same handler must handle each dog in all 7 exercises. Prior to the start of judging, the judge will choose which of the six numbered routines is to be performed. This choice will not be disclosed to the exhibitors until it is posted at ring side at least 30 minutes before the start of the class. In future assignments, judges are required to alternate the six routines so that each set will be used approximately the same number of times.

UTILITY A - The Utility A class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed which has earned the title of CDX but has not earned the title of U.D. Any person who has trained or exhibited a dog that has earned a MOTCH title may not handle dogs in this class. The handler of any dog in this class must be the owner or member of their immediate families. Owners may enter more than one dog in this class. The same person must handle the dog in all exercises.

UTILITY B - The Utility B class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed which has earned the title of CDX or UD. Dogs in this class may be handled by the owner or any other person. Owners may enter more than one dog in this class. The same person must handle the dog in all exercises. Prior to the start of judging, the judge will choose which of the six numbered routines will be performed. This choice will not be disclosed to exhibitors until it is posted at ring side at least 30 minutes before the start of the class. In future assignments, judges are required to alternate the six routines so that each will be used approximately the same number of times.

UNOFFICIAL OBEDIENCE CLASSES - Trials #4 and #6 only

All dogs entered in the Unofficial Classes must be entered in one of the Official Classes or Exhibition Only.

WILD CARD CLASSES - No title is required for entry in any Wild Card class, but any dog entered must be capable of performing the exercises required at the class level in which it is entered. The owner or any other person may handle dogs in these classes. A person may enter more than one dog in any of these classes. Handlers may use verbal encouragement and praise during exercises in these classes without penalty. Handlers may also use additional commands but will be penalized accordingly.

The Wild Card option: A handler may choose to perform all exercises in a class, in which case all will be scored, or a handler may choose to skip one exercise and receive full credit for that exercise. The handler must inform the judge which exercise will be skipped before beginning the exercises. If an exercise is chosen to be skipped, it may not be performed. (E.g., a handler may choose to omit the Stand for Examination in Novice, the Long Down in Open, or the Directed Jumping in Utility, and receive a perfect score for the exercise.)

Wild Card Novice Class - Any dog that is capable of performing the Novice Class exercises may be entered in the Wild Card Novice Class, which will be performed and judged as the regular Novice Class.

Wild Card Open Class - Any dog that is capable of performing the Open Class exercises may be entered in the Wild Card Open Class, which will be performed and judged as the regular Open A Class.

Wild Card Utility Class - Any dog that is capable of performing the Utility Class exercises may be entered in the Wild Card Utility Class, which will be performed and judged as the regular Utility A Class. Handlers are permitted to encourage and praise their dogs verbally during the performance of all Utility exercises except the signal exercise.

BRACE CLASS - The Brace Class is open to any 2 dogs that have earned the title of C.D. or higher. It is not necessary that the same person owns both dogs, nor that they be the same breed, except when entered in a breed specialty obedience trial. The owner or any other person may handle a brace in this class. A person may enter more than one brace in this class. The same handler must handle each brace in all 6 exercises unless he has 2 or more braces entered. In such case, he must have an additional handler for each extra brace when they are judged together in the Group Exercises. The Brace Class is performed and judged in the same manner as the Novice Class. The 2 dogs shall be hitched together with a brace chain or coupling and are judged on the performance of the 2 dogs as though they were one.

VETERAN CLASS - The Veterans Class shall be for any dog that has earned the title of C.D. or higher and is 7 years old or older on the day of the trial. The exercises shall be performed and judged as in the Novice Classes. The owner or any other person may handle a dog in this class. A person may enter more than one dog in this class. The same handler must handle each dog in all 6 exercises unless he has 2 or more dogs entered. In such case, he must have an additional handler for each extra dog when they are judged together in the Group Exercises

8. A dog once disqualified for any reason at a championship show held under these rules cannot again be shown at a show held under these rules until the dog has been examined by an official committee appointed by the CKC and the committee finds the dog is free from the condition which prompted the disqualification. Application for reinstatement must be accompanied by a fee of \$115 plus GST (for Canadian residents) (\$230 non-resident), which shall be forfeited to the CKC if the examining committee is satisfied that the dog should remain disqualified.
