ATTENTION CANADIAN EXHIBITORS - INFORMATION REGARDING TITLES:

The following has been copied from the CKC website:

Attention Canadian Residents

At the December Board meeting input provided by the membership was reviewed and considered to the board regarding the noticed posted to the CKC website on November 6, 2010 regarding a new Tracking fee for non-members. The Board has made changes to the original motion approved at the September Board meeting and the following motion was passed in December and therefore the following non-member participation fee now applies and is retroactive to January 1, 2011.

The non-member participation fee applies to all Canadian residents who participate in a CKC event and a participating non-member can choose to purchase a CKC membership or pay the non-member fee. This only applies to dogs wholly owned by non-members and is not applicable to CKC members or dogs co-owned with a CKC member. In order for the CKC to efficiently manage recording and tracking points, it's important that non-members select one of the two options within 30 days of notification or, unfortunately, we will be forced to cancel any awards and titles.

24-12-3. Non-member participation fee

- a) An annual non-member participation fee for awards and titles will be charged to a Canadian non-member of CKC. The fee will match the ERN fee.
- b) In order to protect the awards/titles earned, the non-member will have a choice either to become a CKC member or to pay the non-member participation fee. Failure to comply within 30 days of notification will cause all awards and titles to be cancelled.
- c) The Premium List must carry a note stating that these fees apply only to dogs wholly owned by non-CKC members and are not applicable to CKC members.

Dogs are not to be off leash on the venue host's property at all, including areas outside of the defined Test precents. DIRECTIONS TO THE FIELD

North from Regina or south from Saskatoon take Hwy 11 to Hwy 20 junction . Turn onto Hwy 20 towards Craven and drive 0.3 kilometers. Look for the WDOC banner on the driveway on west side of Hwy 20.

Legal Land Description: SE 4 20 21 W2 RM of Lumsden

Follow the driveway past the house and small shed. At the large metal shed turn left and follow the trail up through the black gate. Continue following the trail around and down through the red gate and into the Test field.

In compliance with the health and safety guidelines, there will be NO canteen on site. All attendees will need to bring their own water, drinks and food.

Where the rules and guidelines of social distancing differ between those the club has set out and those set for by the Province of Saskatchewan, the guidelines or rule which provides the greatest protection to the general public will stand.

How Will This Test Work?

First, the Secretary will assign each entry a heat number. This number will be relayed to each entrant before the day of the Test.

The handler's meeting will be delivered via email on Friday, August 7th. It is the handler's responsibility to read and understand. The secretary's phone will be available for calls AFTER 5pm on that day.

On the day of the Test, dogs will be brought to the field at the time indicated for their Heat number. DO NOT arrive before your heat time. Competitors will not be allowed on the field until the prior heat has exited. There will be no spectators permitted as part of our effort to manage our gathering size and comply with provincial regulations. Dogs are permitted ONE (1) handler to release them and ONE (1) catcher to retrieve them.

Heat 1 Test 1: 9:00am Heat 1 Test 2 follows Test 1 immediately
Heat 2 Test 1: 12:00pm Heat 1 Test 2 follows Test 1 immediately
Heat 3 Test 1: 3:00pm Heat 1 Test 2 follows Test 1 immediately

When you arrive you will approach the secretary's tent with your dog. The Test committee will assess the dog for lameness from a distance. The handlers of female dogs must bring a CLEAN and UNUSED kleenex. After their soundness check the female dog's handler will use the kleenex to wipe their dog to check that they are not in heat. The handler will present the kleenex to the Test committee from a minimum of 6 feet away.

The handler and catcher will wait at their vehicle until the dog's name is called. There will be a warm up area however, handlers warming up their dogs should stretch them at their vehicles and make sure to keep physical distance from anyone else. There will be a potty area marked.

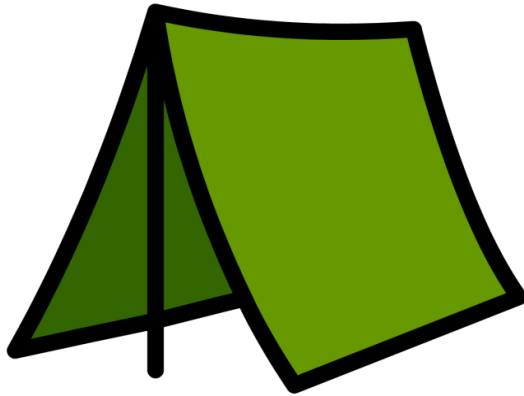

When the dog has completed it's second run, the handler and catcher are encouraged to leave the field unless they are volunteering for the Test. Exhibitors that wish to stay the entire day MUST volunteer.

Scores will not be posted at the event. Once entered into the official score sheets the secretary will text or email your dog's times per each time keeper, the average time and points earned. When the Test weekend is concluded, the secretary can be contacted if you want pictures of the time sheets. Do not congregate around the secretary's office.

Camping

Camping will be available at no cost.
Contact Brenda Theaker @ wishmaster@sasktel.net for availability.
