Introduction to K9 Nose Work®

What's it all about? Dogs have an amazing sense of smell and a natural desire to hunt. This seminar focuses on teaching you how to encourage and develop your dog's natural scenting abilities by using their desire to hunt and their love of toys, food and exercise.

Feature articles in Whole Dog Journal (August 2009), BARK (June 2010, and APDT Chronicle (November/December 2010) provide information about **K9 Nose Work®**.

Any breed can do it ** All ages of dogs and people can do it ** You can play it anywhere
**Uses minimal equipment ** Great mental and physical outlet ** Relationship builder **
Builds the dog's focus and confidence ** **IT'S PLAIN FUN!**

This workshop structure is ideal for shy or reactive dogs since each dog/handler team works one at a time and all other dogs are resting in their crates while waiting their turn. Each dog works individually several times during the day.

About The Instructors:

Ron Gaunt, co-founder of the National Association of Canine Scent Work (www.funnosework.com), began training for Police Dog work in 1970. Among Ron's many accomplishments are multiple national certifications in detection, both explosives and narcotics. Currently, Ron is the owner/operator of Travel'n ManDogs, a private detection firm established in 1995 with the purpose and objective of providing service to private business and corporate America.

Ron will be assisted by **Donna Toews** CPDT-KA, Certified Nose Work Instructor (www.reflectionpetservices.com). Donna has been involved with K9 Nose Work® since late 2009 and is responsible for bringing the sport to Canada. She teaches in Metro Vancouver locations as well as Vancouver Island.
