

The Alberta Kennel Club would like invite you to an information evening with Bill Bruce, Director of the City of Calgary Animal and By-Law Services.

Calgary has some of the most progressive animal control regulations in North America and Bill is widely invited to speak about the Calgary's By-Laws and positions both internationally and within Canada. He is a "One of a Kind" asset to Calgary.

Bill envisions changes to Calgary's regulatory framework and is speaking to us on some of his initiatives:

1. Retail sales of animals in stores
2. Regulations around breeding – for profit vs. legitimate responsible breeders
3. Off-leash parks and dog walkers
4. Internet sales of animals
5. Incentives for Canine Good Citizens

This promises to be a great opportunity for dialog between Bill and the Pure-bred Fanciers and Breeders in Calgary and area.
