

# OXFORD DOG SPORTS PERFORMANCE FUN DAY

Princeton, Ontario Sunday, Aug 26 11 am to 5 pm

## RALLY      AGILITY      WEIGHT PULL      LURE COURSING

Does your dog need mock competition experience?

Do you want to try something new, but haven't found the time or place yet?

We have the solution!!

Come join us, try something new, or just practice whatever you are currently training in.

We will have all 4 events set up and all events are open to all breeds and mixed breeds.

### **Rally**

We will have both Novice and Advanced courses, and can use UKC, CKC or CARO signs. We will have a judge available if you would like a scored course, or just come and play.

### **Lure Coursing**

The course set up will be suitable for beginners, puppies, or for conditioning or corrective retraining for experienced dogs. Give it a try and see how much fun the dogs think it is!

### **Weight Pull**

Novice dogs will be the focus from 11 – 2 pm, with experienced people to help you introduce your dog to this sport, and work on pulling form, commands, and early introduction, motivation and training.

From 2 – 5 we will be working experienced dogs, with the focus on working greater weights, and will run like a competition, with increasing increments.

### **Agility**

We are working towards getting licensed for UKC agility (hope to have our first trial next spring!), and will have the unique UKC obstacles available for training and practice. We do not have a dog walk or A frame yet, but there will be lots to play with, and we'll have a couple of mini courses set up!

Cost is only \$5! We will be selling tickets, and you can 'spend' your tickets on anything you want. Each ticket is good for one event for one dog, for as many runs or as long as you want to play.
