

INTRODUCTION TO SCENT DETECTION (NOSEWORK)

The little Nose that Knows! Scent Detection is pleased to offer an exciting single day seminar for owners and their dogs to learn the sport of Scent Detection. This sport focuses on a dog's natural instinct and ability to sniff using their incredibly powerful noses! We'll mimic the work of pros in arson, bomb and drug detection in a safe environment using target odour.

Any dog! Any size! Any breed!

Don't Miss Out! The next Seminar is:

WHEN: Sunday, April 10th 2016

WHERE: [Klassic Kennels](#) Red Deer

TIME: 10:00AM to 4:00PM

COST: \$120.00 per participant with dog

\$60.00 for an audit only space (no dog)

(Includes a healthy lunch and take home training tools)

Spaces are limited, pre-registration required

Detailed information can be found in the attached handout. To register contact:
