THE MANAGEMENT will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. **CONTAINERIZED TRIAL - FOOD/TOYS IN POCKET:** Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a ziplock bag or small container such as a pill bottle. The container cannot be visible in the ring nor within 10 feet of the ring. You cannot indicate to your dog that you have this item on you i.e. patting your pocket. You are not allowed to remove the container until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none can be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, diminish dogs dragging their handlers back to their crates (or wherever they left their food), and to lessen the amount of insects that are around loose food.

**IMPORTANT.** Please check your dog's NADAC, LLC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC, LLC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the [www.NADACforum.com](http://www.NADACforum.com) within two weeks after the NADAC, LLC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to [www.NADACforum.com](http://www.NADACforum.com) and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC, LLC.

**Levels:** Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

I/we agree that the host of this event has the right to refuse this entry for cause which the organizing committee shall deem to be sufficient. In consideration of the acceptance of this entry and of the holding of the event and of the opportunity to have the dog participate or be judged, I/we agree to hold the host, the organizing committee, the organization (if any) which it represents including its members, officers and directors, the North American Dog Agility Council and its officers and directors, sponsors of the event, owners of premises upon which the event is held and their employees, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or upon the event premises or grounds or near any entrance thereto, and I/we personally assume all responsibility and liability for any such claim; and I/we further agree to hold the aforementioned parties harmless from any claim for loss of this dog by disappearance, theft, death or otherwise, and from any claim for damage or injury to the dog, whether such loss, disappearance, appearance, theft, damage or injury, be caused or alleged to be caused by the negligence of the parties aforementioned, or by the negligence of any other person, or any other cause or causes. I/we hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damages because of bodily injuries, including death at any time resulting therefrom, sustained by any person or persons, including myself/ourselves or on account of damage to property, arising out of or in consequence of my/our participation in this event, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or may have been alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or any other person.

### Proficient/Skilled Categories:

Each class will be split into two categories, Proficient and Skilled. **You must choose one or the other for the entire weekend.** In the Skilled Category, dogs **must** jump 4" lower than indicated by the current jump height table (No dog may jump less than 4"). Dogs entered in the Skilled and Proficient Category may incur 5 or fewer faults (course/time) and earn a 5 pt qualifying round in the Skilled and Proficient Regular Class. Dogs in the Skilled Category do not need to be measured at check-in

### NON-JUMPING CLASSES – VETERAN OR DISABLED HANDLER

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.
