When a CKC registration number for a listed dog is received after the closing date and prior to the date of the show, this number may be added to the entry and noted in the marked catalogue. Listing fees will not be refunded. This then allows a dog who completes the requirement for championship status to be moved up to Specials.

8.9.1 of the Conformation Show Rules and Regulations

A dog that is registered in the records of the CKC or that has a Miscellaneous Certification Number (MCN) and has completed the requirements for a championship in accordance with these rules but at the time of the closing of entries for show has not received confirmation of the title, may be transferred from one of the regular classes to Specials Only providing the transfer is submitted to the Show Secretary in writing by the owner or handler at least one hour prior to the opening of the show.

CHAMPIONS AND CHAMPIONSHIP POINTS

Chapter 15 of the Conformation Show Rules and Regulations

15.1.1 A dog awarded Winners at a conformation show shall be credited with a number of championship points (ranging from 0 to 5). The number of championship points credited to a dog awarded Winners shall be as provided hereunder.

15.1.2 The schedule to be employed in the determination of the number of points awarded Winners shall be as follows:

* DOGS COMPETING	1	2	3 to 5	6 to 9	10 to 12	13 & more
POINTS ALLOCATED	0	1	2	3	4	5

* Includes the dog awarded Winners

In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall be included in the calculation for championship points.

15.1.3 If a dog awarded Winners is awarded Best of Breed at the show, then all dogs competing in the breed, including Specials Only, shall be included in the total.

15.1.4 If a dog awarded Winners is also awarded Best of Opposite Sex to Best of Breed, then all dogs of the same sex including those competing for Specials Only shall be included in the total.

15.1.5 If a dog awarded Winners is also awarded Best of Winners, then all dogs defeated directly or indirectly in the breed shall be included in the total.

15.1.6 If a dog is awarded Winners only, then all of the dogs of the same sex in the class competition shall be included in the total.

15.1.7 The number of championship points credited to a dog awarded Winners shall be determined by the highest award earned and calculated as per this section.

Clarification:

Example of directly or indirectly defeating: if the Winners Bitch is awarded Best of Opposite Sex but not Best of Winners, the Best of Winners male shall be deemed to have indirectly defeated the Specials Bitches, and is thus entitled to add them to the number of dogs and bitches defeated.
