May 3 & 4, 2014

OFA EYE CLINIC – examiner – Dr. Bruce Grahn, DVM, Dipl. ABVP, ACVO

Cardiologist Heart & Echo/Doppler Clinic

Cardiologist Dr. Gary L. Wood DVM, Portland, Oregon

At the Richmond Knob Hill Community Centre

What to expect for eye appointments:

For eye exams - when you arrive, eye drops will be applied to dilate your dog's eyes so they can be examined. The eyes will need time to dilate.

The time for your heart appointment is the time stated. We will try hard to keep everyone on time, bring something to read.

For all appointments:

- A volunteer will confirm every dog's microchip or tattoo, please ensure tattoos are visible and trim hair at home if needed.
- Confirm the information on your dog's form is correct and complete and make any changes as needed (you may want to bring a copy of registration papers etc.)

Please arrive on time or early for your appointment as needed to ensure things run smoothly throughout the day.

If you need driving instructions to the clinic, please e-mail cadf@cadf.ca

****You may bring your cash or cheque donations to Smiling Blue Skies – cancer in canines
