MESSAGE TO EXHIBITORS

Welcome and thanks for joining us in a new venue for the 2024 Summer Classic.

This move was unplanned by the Alberta Kennel Club. In mid-February, we received information that we were being priced out of our last show site. The Executive sent out 12 inquiries to potential sites around Calgary and The Okotoks Agricultural Society responded positively. Other areas were deemed too small, some had conflicting events on the August long weekend and some didn't respond at all.

It has been an enormous effort to satisfy the requirements of Foothills County, Alberta Health, Alberta Transportation and the Okotoks Agricultural Society (who are also a group of community volunteers very similar the AKC).

The OAS and Foothills County have been working hard for the last weeks and the site is improving daily. They are excited to host the show and are planning to increase the usable footprint of the grounds for future events.

At the Alberta Kennel Club we are proud of our more than one-hundred-twenty-year record of service to the Fancy. At all times it is our intention to give you the best Dog Show that we possibly can. We appreciate your assistance and patience as we learn how to best utilize this new venue.

If we have erred, please let us know. We will listen to concerns that are reasonably and politely expressed and will fix what we can. It is not our intention to upset you.

If you have constructive comment, please share with us in a spirit of community.

We can not accept behaviour that is impolite or contrary to our stated requests, as described in the Premium List and Judging Schedule. The AKC will have zero tolerance for rude language and/or abusive behaviour and will invite disruptive people to leave the Show and no refunds will be offered.

Thank you, The Alberta Kennel Club Show Committee
