## **CANINE GOOD NEIGHBOUR TEST**

## Sunday, June 12th, 2011 -Starts 9 a.m.

Sponsored by: GLOBAL PET FOOD 406 Lakeshore Drive, North Bay

The CANINE GOOD NEIGHBOUR PROGRAM was initiated by the CANADIAN KENNEL CLUB to recognize and reward responsible dog owners and their canine partners.

Come and see well-mannered, well-trained dogs negotiate twelve exercises, demonstrating reliability and trustworthiness in everyday situations- while out in public, and around other dogs.

THIS PROGRAM EMBRACES BOTH PUREBRED AND MIXED BREED DOGS!

Dogs are evaluated by a CKC CGN Evaluator; those passing will be awarded a CKC title of "Canine Good Neighbour" and their owners will receive a certificate from the CKC, suitable for framing.

These dogs should be respected and welcomed into our communities.

The CGN test is presented in a fun and relaxed manner with your dog, and spectators will enjoy watching. As an added bonus, an OPP K9 unit will present a demonstration in the lunch break.

For more information about this test, or to register your dog, please contact George at Global Pet Food, on Lakeshore, drop in for a brochure and registration forms, or call him at 472- 2698. Limited spaces available <u>and all dogs must be registered/paid by June 6th.</u>

## PLEASE!! Only dogs registered in the test on the test grounds.
