Eligibility

To compete in these trials, a dog must be at least 6 months of age and registered with the CKC and have a registration number, or an ERN, TCN, PEN, CCN or Misc. certificate number, or be eligible for the same. Dogs may not be lame.

Bitches in season are not permitted to compete. When a bitch comes into season after entry has been submitted to the Trial Secretary, a refund of the entry fee will be made as long as a Veterinarian's certificate, certifying the bitch was in season within the 10 day period preceding the trial, reaches the Trial Secretary on or before the start of the trial.

No dog may be brought within the trial precincts if it is known to have a communicable disease or has recovered from a communicable disease within the last 30 (thirty) days prior to the event or has been housed within 30 (thirty) days with other dogs with a communicable disease. Entries may be refunded for dogs/bitches that pose a threat of communicable diseases on the day of the trial provided a letter from a veterinarian stating such is presented to the Trial Secretary prior to the commencement of the trial.

Temporary Competition Number (TCN) - Effective January 1, 2023

Temporary Competition Number (TCN) must be obtained before submitting an entry for an event. The same TCN must be used for all event entries for a dog until the dog is permanently registered. Once a dog is permanently registered or has an ERN, the TCN will be replaced with the registration number or ERN. A TCN cannot be used for Listed Breeds (MCN) or dogs that will require a Performance Event Number (PEN) or Canine Companion Number (CCN). Listed Breeds that do not yet have a Miscellaneous Class Number (MCN) will be eligible to apply for a TCN.

Temporary Competition (TC) fees of \$11.50 per trial are payable with the Entry Fee for dogs that do not have their individual registration number or ERN at the closing date. There is no fee to obtain a TCN however exhibitors will still be required to pay TCN Fees (formerly called Listing Fees) when entering events using a TCN.

A TCN may be obtained online via the CKC website where the number is issued instantly. Exhibitors may also mail in a printed application or contact CKC Shows and Trials by phone for a number. If your dog does not have a registration number or ERN and has already competed in a CKC event and earned points, scores or awards, before applying for a TCN online, exhibitors are encouraged to check their dog's profiles to determine if the CKC has already created a TCN for that dog. There will be a tab called TCN Dogs in the owner's Portal account.

These trials are open to non-purebred dogs. If entering your non-purebred dog (includes mixed-breed and unrecognized-breed) in these trials, your dog will be required to have a Canine Companion Number to complete the entry form. registered with a different Canadian registry to also apply for an ERN. Canadian born dogs that are registerable by a breed association in Canada recognized by Agriculture Canada may obtain an ERN. An ERN must be applied for within 30 days of the first day of entering a CKC event to avoid cancellation of any awards, scores or wins. Dogs may be entered as LISTED. If factors beyond your control prohibit this or present a problem, please send a written request for a 30 day extension to CKC.
