NOTICE TO COMPETITORS

Competitors, through submission of entry, acknowledge that they are knowledgeable about AAC rules and regulations including, but not limited to, the following rules regarding entry:

Bitches in season are permitted to compete in this trial. Special requirements as per below:

- Handlers are required to notify the trial secretary they will be running a BIS at the event as soon as it is known.
- Handlers should minimize exposure of their BIS to other dogs and limit their movements about the grounds.
- Competitors that have BIS will be allowed to withdraw and receive a full refund.
- Kootenay Underdogs allows any competitor wishing to withdraw (with refund given) due to BIS being on the premises.
- Competitors will be notified there is a BIS on site.
- A protective mat shall be used at the start line. Kootenay Underdogs will provide the mat. However, the competitor may choose to bring his/her own mat.
- Kootenay Underdogs will allow the BIS to run without panties.
- BIS will run as a group at the end of each class.
- "BIS" will be noted next to the dog's name on the gate sheet so that other competitors, ring crew and the Judge(s) are aware.
- BIS must use a designated separate relief area.
- BIS must wear protective panties when not running or not within the designated relief area.

All dogs must be registered with AAC to compete in the agility trial. Photo of AAC ID CARDS (both sides) must be emailed directly to the Trial Secretary immediately after your entry form is submitted if we do not have a record or your dog still needs to be measured.

Measuring - If your dog is under 2 years old or has not had their first measurement, you must have your dog measured. Limited measuring will be available on Friday before the start of the trial and the morning of Saturday/Sunday. In order to limit unnecessary contact and to eliminate the need for measuring at every trial, judges will provide a one-time measure for dogs under 2 years. A temporary measurement card will be e-mailed to the handler to be used during this time. Dogs under 2 years of age may compete with their temporary card until they reach 2 years of age, at which point they will require an official measurement. Judges will resume signing Dog ID cards for dogs 2 years and older. Dogs over 2 years of age must be measured until they have their final height circled on their ID card.

Safety shall always be of foremost consideration in actions and conduct by handlers at all times. Handlers, through entry at this event, accept full responsibility for themselves and the actions of their dogs.

You must not attend the trial if you are experiencing COVID-19 symptoms or feeling unwell or have been in contact with someone that has the virus. You will be asked to leave the trial site immediately if you are visibly unwell.

- Always maintain a minimum 2 meters distance from other individuals: be respectful of other peoples' bubbles!
- Be mindful: avoid unnecessary or inadvertent touching of equipment on course or surfaces anywhere on the trial site.
- Bring an adequate supply of masks, gloves, and disinfectant for your personal use during the trial. Masks are optional during walk through and judge's briefing.
- Anticipate that many of the usual routines we have come to expect at trials are changing. Be gracious and kind in adapting to the 'new normal' of agility trialing. Without changes we will be unable to continue with any trials.
- Remind one another to adhere to the protocols and measures that are in place at this trial to ensure everyone is safe. This is a shared responsibility. Recognize that people may inadvertently slip up and offer a gentle, kind reminder.

Obstacles shall be chosen from those described in the rules and regulations of the AAC and shall conform to this organization's specifications. All contacts are rubberized; Kootenay Underdogs does not have electronic timing. Please note, a barn door-type tire will be used and a broad jump MAY be used.

It is expressly understood that competitors alone are responsible for the behaviour of their dogs and/or children. Any competitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behaviour may be asked to leave. NO REFUND of fees will be paid.

All dogs must be penned, crated or on leash when not in the ring. **All dogs must be under control when they leave the ring after their run.** Any dog engaging in aggressive or out of control behavior when leaving the ring will be disqualified and/or required to leave the trial site. NO REFUND of fees will be paid.

Trial organizers reserve the right to refuse any entry and if an exhibitor must be asked to leave the show grounds for any reason, they will not be issued a refund.

Collars in the ring – dog will be allowed to wear a close-fitting collar, with no attachments, in the ring.

All entry forms must be complete and accompanied by the proper fee to be valid.

**All competitors are expected to volunteer during the trial.
These trials cannot happen without your ongoing support as volunteers.
We are GRATEFUL for your help!**

Teams competing 'For Exhibition Only' (FEO) may bring a non-audible toy into the ring to tug with or toss to their dog.
