Rally Obedience Description

For a complete description of the Rally rules, regulations, performance guidelines, explanation of exercises, etc. go to <http://www.canadianrallyo.ca/>

Rally-O is a new sport which consists of a sequence of stations, run as a heel-work course, by a handler and dog, where a sign at each station indicates an obedience exercise, which the team must perform. Rally is designed to be more relaxed than precision competitive Obedience, focusing instead on attitude and enthusiasm, while the variety of exercises and courses allows you to show off your versatility and teamwork. Rally is intended to promote positive relationships between dogs and owners based on trust and mutual respect. Dogs and handlers should both appear to be enjoying the competition and each other's company.

CARO Rally encourages participation by ALL dogs – purebred or mixed breed, pets or titled champions. Handlers are allowed to encourage their dogs in the ring using verbal praise, petting, and even food rewards just as they would in a good training session. The dogs must perform the exercises correctly and there should be a practiced smooth flow to the performance. Rally courses, depending on the competition level, consist of 15 to 20 stations, laid out in a numbered pattern (like an agility course), performed on-leash in Novice or off-leash in Advanced. Also, like agility, handlers get to walk the course and familiarize themselves with the pattern without their dog before running the course. During their run, the dog and handler move through the course in heel position, performing each exercise in turn. The highest scores will be earned by teams who move smoothly through the course, completing each exercise accurately with a minimum of commands, and with high enthusiasm and good attitude. Praise and/or verbal encouragement upon completion of exercises are allowed, and extra commands during exercises are minimally penalized. Rally is fun and interesting to watch as the individual style of each team can really show through.

NOTICE TO COMPETITORS

Competitors, through submission of entry, acknowledge that they are knowledgeable of CARO Rally Obedience rules and regulations, including, but not limited to, the following rules regarding entry:

- This trial is open to all dogs being at least 6 months of age, including purebred and non-purebred, except bitches in season or dogs with injuries or illnesses which may cause the dog pain or great discomfort, or dogs exhibiting signs of aggression that threaten the safety of other dogs or humans.
- Bitches in season are not permitted to compete in these Trials. Where a bitch comes into season after the entry of the bitch has been submitted, a veterinarian's certificate, certifying the bitch was in season within the 10 day period preceding the trial must reach the Trial Secretary on or before the date of the Trial, whereupon the entry fees will be refunded.
- Physically Challenged Dogs are allowed and encouraged to compete. The Dogs must not show evidence of being in pain or discomfort. The judge shall excuse any dog that does so.
- Physically Challenged Handlers are allowed. Physically challenged owner/handlers shall provide the judge with a written description of how they intend to perform any of the course exercises that must be modified with their entry forms. The modification must be approximate to the best of the handler's ability. The judge must approve and initial the modifications and attach the written description to the score sheet.

It is your responsibility to provide the Trial Secretary with your dog's CARO number prior to the closing date or your entry will be rejected.**

- Safety shall always be of foremost consideration in actions and conduct by handlers at all times. Handlers, through entry at this event, accept full responsibility for themselves and the actions of their dogs. Dogs may compete in more than one level concurrently. However, once a dog has titled at a particular level, showing in that level shall be for exhibition purposes only, or for special (combined score) awards.
- The organizing committee may refuse any entry for any reason.
- In addition, THERE SHALL BE NO REFUND for entries withdrawn after the closing date or in the event a dog and/or handler are dismissed from competition, regardless of reason for such dismissal. There will be no refunds if the trial has to be cancelled for any reason.
