GENERAL INFORMATION:

1. Running and handling: All stakes are walking only. There will be no horseback handling. Members of the gallery may be on foot or mounted, but must follow the judges.
2. **Rule 11.4.13** governs scouting in a trial. It states, in part, that, "No person shall in any manner assist a handler in controlling his dog or in finding a dog that is lost, unless specific permission is first obtained from a judge. A dog may be disqualified if it receives direction of any kind from anyone except its handler." Scouting on foot or horseback is not allowed except in accordance with this rule.
3. Senior stakes and Open Derby will be 30 minutes in length. Open Puppy will be 20 minutes. In the event of unforeseen circumstances, Derby may be shortened to 20 minutes and Puppy may be shortened to 15 minutes.
4. Blank pistols .22 caliber or larger must be fired over all dogs with bird work in Derby and Senior stakes. Blank pistols will not be fired in the Puppy stake.
5. Tracking collars: Electronic tracking collars that meet the CKC guidelines and are lawful for use in Canada are allowed. Participants must declare to the judge that they are using the tracking collar. The receiver must be turned off and at the discretion of the judge, will be carried by the judge.

NOTE: Under **Rule 11.4.10**, with the exception of tracking collars, collars worn in competitive stakes must be a type solely used for purposes of identification. That is, the normal dog collar with name plate attached **or** coloured collars used to distinguish between dogs in a brace.

Rule 11.6.6 states that no more than two collars may be worn by a dog.

6. Total entries will be limited to the number of dogs that can be run in the available daylight hours. Owners are advised to submit their entries as early as possible. In the event of high demand, the Field Trial Committee reserves the right to request owners limit their entries.
7. Collaring a dog away after game contact is allowed.
8. Bitches in season will **not** be allowed to run only in the trial.
9. Backing tests: If a dog has placed in a senior stake and needs only to demonstrate a back to become a Field Trial Champion, the handler may request a backing test. The test will depend on the availability of birds. The cost will be \$30.00.
10. **Rule 10.6.1** provides for modifications to support handlers. It states that:

10.6.1 At the judge's discretion a modification to the exercise/routine may be made to accommodate a handler with disabilities providing that such modification does not aid the dog's performance.

NAPDC welcomes the participation of all handlers. Anyone wishing to rely on a modification including a motorized conveyance to support their participation should advise the Field Trial Secretary in advance and must receive the judges' approval and direction in advance of running their dog.

11. **Reminder:** There will be no exercising or training of any dogs on the grounds during the Trial. All participants must be familiar with CKC Rules and also the rules and provisions of this Premium List. CKC Field Trial rulebooks are available for purchase from the CKC.
