Guy Fawkes "Mini Guy" Contest

In honour of the fact that **November 5th** is **Guy Fawkes Day** or **Bonfire Day** we are sponsoring a contest which will allow us to also follow the English tradition of collecting "a penny for the guy". Due to space consideration we are limited to mini guys only (maximum size 12"H x 8"W). Fire regulations will not allow us to burn the effigies in a bonfire instead we will have a penny poll to determine the best effigy.

PENNY POLL

Design. Build and Bring your best mini guy effigy and enter the contest. All entries will be placed on display with cash collection jars in front of each one. The "mini Guy" which collects the most money will be declared the winner at the end of the Sunday lunch break and will receive the contents of "their" jar. All other funds collected will go to the SPCA, Food bank, or Chinook Winds Greyhound Rescue.

*Remember, remember,
the fifth of November,
Gunpowder, treason
and plot*

Never heard of Guy Fawkes?? What can we say except, "Google it".
