**Festival information:**  
Pawlooza is one of Canada's largest festivals for animal lovers. An estimated 15,000 people and 4,000 dogs attend the most dog-friendly festival that you'll ever see.

There is a dock diving competition, course luring, trailwalking, agility, pet psychic shows, top model contest, trick demos, obedience classes, pet first aid demos, ugliest dog competition, 175 vendors... the list goes on and on. This is the perfect place to spoil your dog... a picturesque, multi-million dollar private estate in West London.

Don't have a dog? There are rescue organizations coming from across Canada who are showcasing their adoptable dogs who are looking for forever homes. Visit [www.pawlooza.com](http://www.pawlooza.com) for all of the info.

# RIDICULOUSLY FUN.
