

MONCTON KENNEL CLUB

JULY 31st and August 1st and 2nd 2021 CONFORMATION SHOWS

REVISED OPERATIONAL PROTOCOL

The Province of New Brunswick has announced that all Covid-19 Restrictions will cease to be in effect after 11:59 PM on Friday July 30th. There are NO CHANGES WITH REGARD TO LIMITATIONS on July 30th.

No changes are being made to access to the Arena – **no Exhibitor set up on the Arena floor until 7:00 AM on Saturday July 31st** as previously indicated in the Judging Schedule. Preferably check-in to enable setup after 7:00 AM and wait to bring your dogs in after 8:00 AM to reduce congestion the first thing Saturday morning. Judging for only two Groups, Hound and Working, start at 9:00 AM.

1. The Moncton Kennel Club Shows are closed to the Public (no change). Only Exhibitors, helpers and companions are granted entry.
2. The signed Waiver is still required for entry and the bracelet must be worn for re-entry. No exceptions.
3. The wearing of masks by Exhibitors in the Ring is at the discretion of each Judge.
4. Masks are not required, but encouraged when in close contact with others.
5. Hand sanitization stations will be readily available and use is encouraged.
6. The use of ALL large forced air dryers or fans is Prohibited, with the exception for small hand-held units.
7. Electricity is only being provided to the Show Secretary and the Photographer on the Arena floor.
8. Set up equipment can remain in the Arena for the three days of the Shows, at the owner's risk. MKC accepts no risk or liability for loss or damage to equipment left in the Arena.
9. The Judging Schedule was formatted to allow the same Group to be judged in close sequence to allow exhibitors to complete their exhibiting in either the morning or afternoon.
10. The Moncton Kennel Club encourages exhibitors to limit their time inside the Arena in the transition time, as many exhibitors have concerns about exposure to people in confined spaces, that they do not know.
11. Please respect the personal space of others.

The Moncton Kennel Club appreciates your entries, your cooperation and your patience as all of these changes are occurring in the midst of the Show weekend.
