All competitors in a sport should be knowledgeable about the rules, but how many of us actually take the time to read the rulebook? This is your chance to have the rules explained by experienced CARO judge, Sarah-Jane Petti. Sarah-Jane has been judging CARO rally for over 6 years, and as a qualified APDT and CKC rally judge, can also answer questions about how the various rules differ. She has mentored multiple judges-in-training, and is pleased to present this, her 4th judges seminar.

Topics that would benefit any competitor include: what is a double command? How does the moving side step get marked? When are retries allowed and how are the deductions counted?

Count on an entertaining and informative evening, followed by a 2 day trial with lots of opportunities to put the knowledge into action.
