More info!

- A) See attached with this email, CKC agility announcement with important information on how CKC agility is changing to make things more fun for you starting in 2014.***

New games, new regulations, and more

In order to get you familiar with the new game of PAD, we are running a fun night on Friday so that you can give it a whirl.

B) Regarding the potential additional fees

WCOBC regrets to inform all Non Members of CKC that there is a new initiative taken by CKC and announced on January 13, 2011 which requires all non members to pay a fee or remit their membership to CKC if they intend to have their dog's titles documented.

Our WCOBC trial committee's understanding of this is as follows. It should be made very clear that this applies only to dogs wholly owned by Canadians who are not CKC members. CKC is working on developing a form but was not available when this premium was published. Individuals have 2 choices. 1. waiting for a letter from CKC Head Office notifying them. 2. calling ahead to CKC's Client Services Department and paying the \$57.00.

We understand that this Non-Member Participation Fee is to be applied to titles. So, if a dog earns a qualifying score that's fine, it is when the title is issued that CKC will contact the owner. However, if the fee is not paid OR the individual chooses not to become a CKC member, all of the qualifying scores earned after January 1, 2011 will be cancelled with the title.

The following is quoted from the CKC website

“The following non-member participation fee now applies and is retroactive to January 1, 2011.

The non-member participation fee applies to all Canadian residents who participate in a CKC event but are not CKC members and a participating non-member can choose to purchase a CKC membership or pay the non-member fee. This only applies to dogs wholly owned by non members and is not applicable to CKC members or dogs co-owned with a CKC member. In order for the CKC to efficiently manage recording and tracking points, it's important that non-members select one of the two options within 30 days of notification or, unfortunately, we will be forced to cancel any awards and titles

Non-Member Participation Fee

24-12-3. Non-member participation fee

a)An annual non-member participation fee for awards and titles will be charged to a Canadian non-member of CKC. The fee will match the ERN fee.

b)In order to protect the awards/titles earned, the non-member will have a choice either to become a CKC member or to pay the non-member participation fee. Failure to comply within 30 days of notification will cause all awards and titles to be canceled.

c)The Premium List must carry a note stating that “ these fees apply only to dogs wholly owned by non-CKC members and are not applicable to CKC members.”
