VOLUNTEERING

Please consider volunteering at NCHCa's events NCHCA is run by a few members and we are always looking for volunteers to help out. You can make a difference, even if you can spare a short amount of time each trial.

- Field Setup: Come early (one hour before roll call) and start learning by carrying equipment. Eventually you will learn how to place pulleys and tie downs, how the field is set up and how the machine works.
- Field Clerk: Sit on the field with the judges, and shadow the field clerk. Learn how scores are tabulated and recorded. You will learn how judges score the dogs. It's a whole new perspective on coursing.
- Huntmaster: Bring a knife! Have you wondered, how are those bags tied on or how do you tie a broken line? Shadow one of our huntmasters to learn.
- Runner: Volunteer to get the paperwork from the field clerk to the field trial secretary after each breed. This will get the scores posted more quickly.
- Lure Operator: Talk to the lure operator between courses. If you're interested, try running the lure around before the trial, at lunch, or after the trial at practice.
- Practice: Grab the practice list, call the dogs and collect the money. Volunteers have worked all day — this is a great way to give them a break.
- Fundraising: NCHCA is a not for profit club and we rely on fundraising as a way to provide our events each year. Organize and run a fundraiser (a 50/50 draw, raffle, silent auction) at one our events to help.

THANK YOU FOR VOLUNTEERING AND SUPPORTING
