The Event Committee Chair shall promptly report to the CKC any infringement of this regulation, and the CKC shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred."

In order for a team to qualify, both the dog and handler must be working together as a team and must be able to read each other's reactions. Communication and praise of the dog during the search are encouraged in a CKC scent detection event.

Once the dog is permanently registered or has an Event Registration Number (ERN), the TCN will no longer be valid. While there is not fee for the TCN, exhibitors will still be required to pay listing fees (\$11.30) when entering events. The request for a TCN will be self-serve; exhibitors should go to the CKC website to complete an online application and a TCN will be issued instantly. Exhibitors may also obtain a TCN by completing a printed application and submitting it to the CKC, or by contacting the Shows and Trials Division by telephone.

Move Up forms are available during the Trial from the Trial Secretary.

The person who made the entry will be notified of his position on the list. If the Trial Secretary is notified in writing after the closing date that an entry other than a bitch in season will be absent from the trial, the entry maybe substituted with one from the wait list up to 24 hours prior to the event. Fees will not be refunded for any reason other than a bitch being in season and to those on the wait list who did not participate in the event.
