## Go To Ground (SANCTIONED) Saturday/Sunday

A NON-Sanctioned Go To Ground class is being offered for Rescue/Non-Recorded JRT's

2. Any references made to a JRTCC trial will be understood to also include a JRTCA or AWTA trial.
3. Where stated that a JRTCC Trial Certificate must be provided for any Championship Certificate class, a JRTCA Trial Certificate or an AWTA Certificate of Gameness may be submitted, as may be qualifying score sheets for other Go To Ground classes.
4. Schooling prior to the competition is NOT permitted. Any violation of this rule shall result in disqualification of the schooled terrier from Go To Ground competition at this trial. No entry fees will be refunded.
5. *Any terrier that will be used for Child and/or Junior Handler GTG classes must first complete any GTG class into which it may be entered at this trial, including any Novice to Open move-up.*
6. Prior to the event, exhibitors are responsible for collecting any score sheets for their terriers at the registration area, for completing the pertinent information and, at the time of the competition, for taking them to the Den Steward for scoring by the Judge.
7. Exhibitors should examine the score sheets carefully as they contain important information regarding the requirements, specifications and judging criteria of each class.
8. Puppies holding a 100% Open Puppy or prior 100% Puppy Championship score sheet may compete in the Puppy Championship class, which determines the Puppy Champion and Reserve for the trial. Only adult terriers holding a JRTCC TRIAL CERTIFICATE may compete in the Championship Certificate classes, which determine the GTG Champions and Reserves for the trial.
9. A puppy that has competed in the Puppy Championship class must enter that class at trials until it turns one year old. A terrier issued a JRTCC Trial Certificate **must** always compete in the Championship Certificate class. Cross entering in Go To Ground is not permitted.
10. **With no exceptions**, to be submitted with entries **or** provided to the Den Steward at the time of judging for: Puppy Championship class – a copy of the 100% Open Puppy or prior 100% Puppy Championship score sheet; Adult Championship Certificate classes – a JRTCC Trial Certificate.
11. An adult terrier or puppy that qualifies in the Novice class at this trial, may "move up" to be entered into the Open class at this same trial by presenting the 100% Novice score sheet and paying the pre-entry class fee. Note that there will be *no move-ups from Open to either of Puppy Championship or Championship Certificate classes at this trial.*
12. A registered/recorded adult terrier that has previously scored 100% in the Open class at a JRTCC trial, may compete in Open GTG indefinitely, *or until such time as a JRTCC Trial Certificate has been requested by the owner and issued by the Judges Committee.* As well, an unregistered puppy (under one year) may compete in Open Puppy GTG indefinitely.

13. A puppy that has passed the Open Puppy and/or Puppy Championship class **must**, upon turning one year of age, be entered into the **Open Adult** GTG class unless, or until such time as, the terrier has been registered/recorded with the JRTCC **and** the 100% Open or Championship score sheet submitted to the JRTCC Judges Committee to be issued a JRTCC Trial Certificate.
14. Terriers which have previously scored 100% in a Puppy or Adult Novice class at a JRTCC trial may **not**, under any circumstances, compete in a Novice class again at any JRTCC sanctioned trial.
15. Exhibitors should read the complete Go To Ground Rules posted at the event site.
16. The starting line shall be placed two feet from the entrance hole. Timing starts when the terrier is released by the handler. The terrier is to be released so that all four feet are on the ground before crossing the starting line. The terrier may not be pushed or thrown toward the hole. Any violation of this rule, accidental or intentional, shall result in disqualification of the terrier from the class in which the violation occurs. No entry fees will be refunded.
17. After the terrier is released, the handler shall remain next to the entrance hole. Commands and encouragement may be given. The handler shall wait for the signal from the Judge before proceeding to the terrier's location.
18. It is the exhibitor's responsibility to collect the completed/signed score sheet from the Judge before leaving with the terrier.
19. If at any time during a GTG run the equipment fails, the terrier will be allowed a re-run at the end of the GTG event, after all other terriers have completed the GTG class.

To obtain a **JRTCC TRIAL CERTIFICATE (\$15 fee this year)** for a terrier that is at least one year of age **and** is JRTCC/JRTCA registered/recorded, send the terrier's 100% Puppy/Adult **Open** score sheet **or** Puppy Championship score sheet **signed** by the GTG judge, and with all pertinent information completed to: **JRTCC Judges Committee, 41 Bowden Street, Fort Erie ON L2A 2P5**. (Note: i- The owner *must* be a current member of the JRTCC. ii- If the terrier is not already registered or recorded, the score sheet may be submitted with that application to the JRTCC Registrar. Details at [www.jrtcc.org](http://www.jrtcc.org) .

### **Lure Coursing (NON-SANCTIONED) Saturday/Sunday**

2. Terriers to be run individually; seconds are added for going off course or cutting corners.
3. Each terrier will be allowed two runs.
4. The winning terrier in each class will complete the course with the best score.

2. One encased quarry will be hidden within the brush area. No scent will be laid.
3. The handler and terrier will start inside the fenced area, at the entrance gate.
4. Timing begins when the terrier is released by the handler, who remains at the gate.
5. The terrier will be allowed a maximum of three (3) minutes to locate the quarry.
6. Approximately one minute after the release, at the signal of the judge, the handler may begin to give verbal encouragement only to the terrier and may also move about the enclosed area. Should the handler use body language/signals to assist the terrier at any time, the terrier will be disqualified.
7. At the end of the timed challenge, the handler will promptly retrieve the terrier and proceed outside the fenced area.
8. The successful terrier will have demonstrated a focused, yet spirited, attempt throughout the competition, in the least amount of time.
9. The judge will determine if/when the terrier has located and worked the quarry successfully.

## **Rumble Tunnel (NON-SANCTIONED) Saturday/Sunday**

Rumble Tunnel is a timed event with the Terrier working their way through an above ground tunnel. The tunnel has a clear front with dips, turns and obstacles along the way allowing you to see how your terrier maneuvers the tunnel. 1. 1 Minute to complete the course
2. Each Terrier will be allowed 2 runs
3. 5 seconds handicap for failing to work rat (5 sec penalty added to time for failing to work rat)
4. 2 voice commands for the first 30 seconds and after the first 30 seconds (upon direction from the Judge) handler may coach as much as needed.

3. Timing begins when the terrier crosses the start line toward the ball and it ends when the terrier returns to the start with the ball.
4. There are 2 chances per entry.
5. The handler may encourage, but not touch, the terrier during the time period.
6. Each terrier's final score is the best time of the 2 retrievals.
7. The winning terrier in each class will have the fastest retrieval time.

## Trailing & Locating (NON-SANCTIONED) Saturday Only

1. The terrier is judged on its ability to follow a scented trail in a simulated natural hunting environment above ground to locate, mark and/or open on the quarry.
2. No schooling is permitted in the starting area before competition begins. Handlers violating this rule will be disqualified and no entry fees will be refunded.
3. All Trailing & Locating classes are conducted off lead.
4. The handler must remain with the judge throughout the competition. No directional hand signals are permitted, although verbal encouragement is allowed.
5. Scoring is based on a combination of time and accuracy. The terrier with the fastest time is not necessarily the winner.
6. Timing begins at the starting point (a natural marked spot indicated by the judge) and ends at the finish line (a natural marked spot approximately two to three feet from the actual quarry).
7. **Disqualifications:**

  - Puttering: Retraces game trail, explores off trail, urinates on bushes, pokes in holes, and wastes time.
  - Handling Error: Misleads or distracts terrier. Does not follow instructions or rules.
  - Switching Quarry: Swings off trail completely. Dog runs other quarry or trail.
9. **Bonus:**
  - Marking Quarry: 15 seconds off clocked time.
  - Opens on quarry: 15 seconds off clocked time.
10. The winning terrier in each class will achieve the best score. The Trailing & Locating Best and Reserve will be awarded to the top terrier and runner up with the best scores of the combined Novice Adult and Open Adult. The puppies with the top two scores will be the Puppy Trailing & Locating Best and Reserve.

**Note:** A child/Junior exhibitor's age is determined as of January 1<sup>st</sup> of the current calendar year. The Sanctioned Youth Division is open to Child and/or Junior members in the following age brackets: Child Handler (9 years and under) and Junior Handler (ages 10 up to 18 years)

1. All exhibitors in the Youth Division must be current JRTCC members, either under a family membership or under an individual Membership. On the trial entry form, please list separately (not with any other regular classes of the terrier being used for the youth division) the Child/Junior Handler name & birthdate, the name of the terrier to be used and the youth classes entered. Youth competitors must be current members of the JRTCC, as part of a Family Membership or a Junior Membership.
2. The same terrier must be used throughout the trial to qualify. All terriers participating in these classes **MUST** be registered or recorded with the JRTCC, JRTCA or JRTCGB.
3. Youth Division terriers must be 1 year of age or older to participate. Spayed or neutered terriers may be exhibited in the Youth Division
4. Except in the case of an injured or ill terrier (refer to Rule 5), Youth Handlers must handle the **SAME** terrier, which must be an **ADULT** terrier, No puppies are permitted in any Youth Division classes.

5. In the rare instance that a Youth Handler's dog is injured or medically unable to continue in any remaining events at a given trial, the youth may continue to compete with another dog. In this case, the following procedure is to be followed:
  - a. Prior to any terrier substitution, the Youth Handler must notify the Trial Chairperson. The Trial Chairperson must see and evaluate the terrier.
  - b. The youth may use another **ADULT** terrier, which must be the **SAME ADULT** terrier (no puppies allowed), used for the remaining Youth Division events.
  - c. Only one terrier substitution may be made, per handler, for each trial. (In the case of the JRTCC National Trial, the two day format equals one trial.)
  - d. All placement points earned by the handler prior to the substitution will remain in place. No placement points will be earned by the handler following the substitution.

**NOTE:** An injured or ill terrier should be attended to as soon as possible. A licensed veterinarian or technician should be consulted at the trial site if available.

12. The overall point score for a trial for each participant will be determined by calculating the total point scores of any/all of the following events: Agility, Conformation, Go To Ground.
