Event Day Information & Rules

Handler Briefing: 8:30AM

Lameness Check-in: 8:45AM

First Run: 9:00AM

There will be a fifteen-minute break between each run, and a longer break between the second and third run each day for lunch.

- The Event Secretary will be in full charge of events which will be governed by CKC Rules.
- Day-of entries will be accepted until 8:30AM and again during the lunch break before the final two runs of the day.
- Come prepared for rain or shine and bring plenty of water for you and your dog.
- Females in season are permitted to run; they will run last in each event and must wear snug-fitting panties.
- Lameness or unfit dogs, (in the opinion of the inspection committee) will be excused, and their entry fee refunded.
- Muzzles and any well-fitting collar are permitted **except** for the following: **Prong Collars, Chain Collars and Shock/E Collars**. Dogs may also run 'naked'. Tags on collars must be taped up. The owner assumes responsibility for the safety of the dog with regard to the dog's collar and paraphernalia on the dog.
- We welcome all exhibitors. **If you require accommodation of a disability, please make your needs known to the club in advance.**
- **Catchers and releasers cannot travel more than 3M(10FT) past the start or finish line on either end. Going more than 10FT down the track will result in a *fail* and no time will be recorded.** *Please note, due to the use of laser timers you accept responsibility that you may affect your dog's time by crossing the start or finish before your dog reaches it.*
- A white plastic bag, called a 'lure' is used to encourage the dog to run down the track, you may request that it not be run if your dog is not interested in or afraid of the lure. As long as there is no physical assistance, any means of getting your dog to run the track are allowed; these may include but are not limited to recall or retrieving an object thrown at the finish line by the catcher.
- A scoreboard is available at the end of the track for you to record your dog's time. Official results—including time, speed (km/hr), and points—will be posted on Dogshow.ca after each run. For your convenience, points will also be displayed on a whiteboard located near the secretary's tent.
- The Secretary will be available between runs for new title ribbons, qualifying flats & clarifying questions about the rules. **For results, please refer to the above.**
- Please clean up after yourself and your dog, there are garbage cans available on the field.
- Do not leave your dog unattended, tie-outs are not permitted.
- If a dog is found to be aggressive or out-of-control the owner may be asked to leave and their entry refunded.
- **No dogs are permitted on the field at any time once a run has begun. Repeat offenders may be excused for the weekend with no refund.**
- Fun runs or "Try-its" will be available immediately following each official run for \$10 per dog, each dog may run only once per fun run (four will be offered each day). Please register for fun-runs at the secretary table.

This is a physically intensive sport, please be sure to properly warm up and cool down your dog between runs.

Awards & Titles

EARNING POINTS:

The dog's time to complete the 100-meter dash is converted into Kilometers Per Hour (KPH). A handicap system is applied to a dog's KPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

18" or greater - handicap is 1.25

12" up to less than 18" - handicap is 1.5

Below 12" - handicap is 2.0

Points - 360 divided by the dog's time produces the dog's KPH which is multiplied by the dog's handicap to result in the number of points earned. Example: a 14" tall dog takes 18 seconds to complete the course. $360/18 \text{ seconds} = 20 \text{ KPH} \times 1.5 = 30 \text{ points}$. Points are rounded to the nearest whole number.

Please be sure to enter the correct height category. Wickets will be available upon request.
