WHAT IS THE CHASE ABILITY PROGRAM (CAP) TEST?

This exciting event, developed after the ever-popular Lure Coursing, was introduced by the Canadian Kennel Club (CKC) March 1, 2016. ALCA hosted the first CAP in Canada. The Chase Ability Program test allows dogs to uncover their natural prey drive by chasing a lure - all while having lots of fun. CAP also provides purebreds and mixed-breeds with the opportunity to compete and earn multiple titles in a field event that all dogs are capable of performing.

Two types of courses will be available: one for dogs shorter than 14 inches at the withers or brachycephalic dogs and another course for the remainder of the dogs entered. The Chase Ability program is a pass/fail event. How does your Dog earn a Pass? A dog must run alone, chasing the lure and complete the course with enthusiasm and without interruption.

ELIGIBLE PARTICIPANTS

Chase Ability Program participation is open to all purebred and mixed-breed dogs at least 12 months of age that are:

- individually registered with the CKC, or
- have an Event Registration Number (ERN), or
- have a Performance Event Number (PEN), or
- are eligible for registration with the CKC, or
- have a Miscellaneous Certificate Number (MCN) if it belongs to a CKC listed breed, or
- have a Canine Companion Number (CCN) if it's a mixed breed.

The CAP is an athletic pursuit that requires your dog to be in very good condition. Your dog relies on you to ensure this. Females in season may not compete.

If in the opinion of the Test Committee, any entry is found to be lame, unfit to participate or a female in season, it shall not be allowed to run and the entry fees shall be refunded.

COURSE LENGTHS OFFERED

300 yards: For dogs shorter than 14 inches at the withers and/or brachycephalic (flat-faced) dogs.

150 yards: If a Veteran Stake is offered, dogs 7 years or older may enter this stake. Dogs shorter than 14 inches at the withers and/or brachycephalic (flat-faced) will run 150 yards.

600 yards: For all dogs not eligible to run the short distance.

300 yards: If a Veteran Stake is offered, dogs 7 years or older may enter this stake. They will run 300 yards.

TITLES

Chase Ability (CA) - awarded to a dog that passes the Chase Ability event three (3) times under at least two (2) different judges

Chase Ability Excellent (CAX) - awarded to a dog that passes the Chase Ability event a total of ten (10) times (CA + seven (7) additional passes)

Chase Ability Excellent 2 (CAX 2) - awarded to a dog that passes the Chase Ability Event a total of 20 times (CAX + ten (10)). For every further ten (10) passes the dog may add a higher number after the CAX (CAX 3, CAX 4, etc.)

And, beginning in 2024:

Veteran Chase Ability (VCA) - awarded to a dog that passes the Veteran Chase Ability event three (3) times under at least two (2) different judges

Veteran Chase Ability Excellent (VCAX) - awarded to a dog that passes the Veteran Chase Ability event a total of ten (10) times (VCA + seven (7) additional passes)

Veteran Chase Ability Excellent 2 (VCAX 2) - awarded to a dog that passes the Veteran Chase Ability Event a total of 20 times (VCAX + ten (10)). For every further ten (10) passes the dog may add a higher number.

AWARDS

A qualifying ribbon will be awarded to each dog that achieves a Pass. ALCA also awards a rosette to each dog that achieves a CKC CAP title.

WHAT IS THE SPRINTER EVENT?

The SPRINTER EVENT was launched by the Canadian Kennel Club on July 1, 2018. ALCA hosted the first event in Canada. The Sprinter is a fun event open to all dogs to enjoy the challenge of running a 100 meter dash. This is a timed event. Dogs run singly. The dog's time to complete the 100 meter distance is converted to kilometer per hour (KPH). Dogs earn points based on their handicapped speed. Titles are awarded upon the dog accumulating a given number of points.

ELIGIBLE PARTICIPANTS

SPRINTER EVENT participation is open to all purebred and mixed-breed dogs at least 12 months of age that are:

- individually registered with the CKC, or
- have an Event Registration Number (ERN), or
- have a Performance Event Number (PEN), or
- are eligible for registration with the CKC, or
- have a Miscellaneous Certificate Number (MCN) if it belongs to a CKC listed breed, or
- have a Canine Companion Number (CCN) if it's a mixed breed.

Sprinters are an athletic pursuit that requires your dog to be in very good condition. Your dog relies on you to ensure this.

Females in season may enter at the discretion of the event giving club. In 2024 ALCA will **NOT** allow bitches in season to participate.

If, in the opinion of the Test Committee, any entry is found to be lame or unfit to participate it shall not be allowed to enter and the entry fees shall be refunded.

YOUR TEAM

CKC rules state that 'It is recommended that an owner or someone familiar with the dog stand at the finish in order to catch the dog once the course has been completed.'

ALCA would like to reinforce this recommendation. Please find a 'buddy catcher' to support your team.

EARNING POINTS

The dog's time to complete the 100 meter dash is converted into Kilometers Per Hour(KPH).

A handicap system is applied to a dog's KPH to determine the number of points earned.

The handicap system is based on the height of the dog at its withers:

- (a) 18" or greater - handicap is 1.25.
- (b) 12" up to less than 18" - handicap is 1.5.
- (c) Below 12" - handicap is 2.0.

Points - KPH multiplied by the dog's handicap. For example 20 KPH x 1.5 = 30 points.

Points are rounded to the nearest whole number.

TITLES

Novice Sprinter (NS) - awarded to a dog that earns 150 points

Sprinter (S) - awarded to a dog that earns 500 points

Advanced Sprinter (AS) - awarded to a dog that earns 1000 points

Sprinter Excellent (SX) - awarded to a dog that earns 1500 points

Sprinter Excellent 2 (SX2) - awarded to a dog that earns 2000 points. For each additional 500 points the dog may add a higher number after the SX (SX3, SX4, etc.)

And, beginning in 2024:

Veteran Novice Sprinter (VNS) – awarded to a dog that earns 75 points

Veteran Sprinter (VS) - awarded to a dog that earns 250 points

Veteran Advanced Sprinter (VAS) - awarded to a dog that earns 500 points
