COVID NOTES:

You **MUST** respect physical distancing with **EVERYONE**. Please keep a distance of 6 feet/2 m when interacting with anyone outside of your household.

Masks are recommended if you are unable to keep a 6 foot/2 m distance. We will not be able to provide masks to exhibitors.

All competitors **MUST** bring 2 leashes, one for the releaser and one for the catcher. Please arrange your catcher and releaser prior to the day of the Tests. There will be no extra leashes or handlers available. The dog owner is responsible for ensuring that their second person is present at the event on time. We cannot wait for anyone.

If you have multiple dogs entered, the catcher **MUST** return the dog they just caught to the start line right away. If you have multiple dogs, you will need to have your car close to get dogs in and out **FAST**.

Your turns will come up very quickly. We can have no delays.

Washrooms are **CLOSED**, except for emergencies. Please plan for this. If you must use the washroom, proceed to the main check in area and follow the instructions.

There will be no lunch provided, however the Upper Stewiacke CO-OP and Bev's Diner are open nearby.

There will be hand sanitizing stations at all main areas, however if you can, bring your own hand sanitizer.

You are responsible for bringing a pen, the signed COVID-19 event disclaimer, and the Competitor Record Sheet that was emailed to you (please give this to the person catching your dog). There will be no extra copies on site. **You are responsible to convert your time and points** (info is on your record sheet) or download the rules from the CKC website at

<https://www.ckc.ca/en/Files/Forms/Shows-Trials/Event-Rules-Regulations/Sprinter-Rules-and-Regulations-Effective-January-1>

The event secretary will not be available to competitors at these Tests. All information will be sent to the CKC as required and the CKC will notify you of your titles earned. Final results and placements will be emailed to all competitors within 72 hours of the event completion.

This event will be **ribbon-less**. You will receive an IOU for ribbons achieved, including flats and title rosettes. Due to COVID, our ribbon provider is currently shut down. Once they are open, we will fill our order and contact you to send ribbons or arrange contactless pick up. ***You are responsible to notify the event secretary if you have achieved a title via email, after the event.***

You will need to crate your dog in your car. There will be no shade provided so please keep your dogs well ventilated in your cars by keeping windows open. Remember fresh water, and you must stay with your dogs at your vehicle. There can be no gathering in groups to spectate.

At the main check-in table, your dog will do the first lameness check and you will get a sticker for your record sheet. The second dog lameness check will be done at the sprinter entrance gate after the first run is completed.

HOW TO RUN SPRINTER SAFELY IN THE COVID WORLD:

There are a number of changes to how this event will be run. **Please read this carefully.**

You will be emailed a number of documents before the event. You are responsible for reading the Handler Briefing and printing out the other three documents, and bringing a pen. You must print and sign your waiver and hand it in at check-in or you will not be allowed to participate in this event.

There will be:

- a written version of our usual Handler Briefing
- a Competitor Record Sheet
- a COVID-19 liability waiver and agreement
- a labelled map of the trial venue will be emailed to you. Please familiarize yourself with where everything is. We suggest printing the map.

On arrival for your scheduled time slot:

1. When you arrive, go to the main check-in station for the lameness and in-season inspection and have your card stickered. You will need to swab your bitch with Kleenex for in season check. Ideally, please bring a small amount of toilet roll with you to do so to minimize touching of our items.
2. Proceed directly to the start area with the dog, show the gate steward your record sheet sticker and have your catcher proceed directly to the finish line with the record sheet and pen.
3. Once your dog runs and is caught, the catcher then will write down the dog's time from the timer (maintaining the 6 foot/2 m distance) and then proceed IMMEDIATELY with the dog to the start. The releaser and catcher can meet halfway to save time.
4. Catcher leaves dog with releaser and proceeds immediately to the finish line.
5. The dog then runs its second, and final, run for the day.
6. Once you have completed your two runs per dog, proceed immediately to your vehicle, as you MUST leave the Aqua Terra property so we can let the next heat in.

7. The club may opt to run through all dogs in the time slot, and then repeat for the second runs, instead of doing back to back.

You **must be** ready for your run or it will **be forfeited with no refund**. Due to COVID-19 and the scheduled time slots, we only have a limited amount of time to get everyone through safely.

Important Notes: This is a PRIVATE residence and we are grateful for the use of this location. Parking, potty, and exercise areas will all be designated. Please respect instructions, pick up after your dog, and always maintain control of your dog. Flexi-leads are not allowed on the field. Please bring everything you will need to keep your dog safe and comfortable for the weather. There is a risk of injury for all active sports; you can reduce this risk by ensuring your dog is in athletic condition, only running your dog when you feel the field and weather are appropriate and staying aware of your environment and any safety hazards. A \$10 fine, payable to ECSA, will be levied for any dog loose on the field from the time of inspection until the completion of all events for the day. A \$10 fine, payable to ECSA, will be levied for any exhibitor not picking up after their dog. Events run rain or shine. Dogs may wear a snug fitting “catch” collar as long as there is nothing on it that can become entangled in the line. **Sprinter requires you to have someone catch/leash your dog at the end of the run. As described earlier, please arrange your catcher and releaser prior to the Tests.**

It is the responsibility of the exhibitor to be familiar with the rules pertaining to the event in which they are competing. Copies of the CKC Sprinter Test Regulations are available from the Canadian Kennel Club online or via mail. Tel: 1-800-250- 8040.

CKC Regulation: It shall be the duty and obligation of the trial giving club to see that a judge, club official, volunteer or any participant at an event held under these rules is not subject to indignities of any kind.
