## A Unique and Comprehensive Learning Opportunity at our National Specialty Show

Seminar is only \$75.00 Canadian Funds -Seating is Limited!!  
September 9th and September 10th, 2011

Here's what we have planned for you:

1) "Take Them Around" - Friday, September 9th - Lunch Break

We are honored to have breeder-judge and educator Joan Fox\* conduct an in-the-ring seminar. Joan will open with sharing her expertise, advice and passion for judging our breed. After a demo of her judging procedure (using one dog and handler), a class of 6 dogs will enter her ring. Without interruption or commentary, Joan will judge the class, placing them 1st through 6th. She will then call the first place dog into the center of the ring and critique it thoroughly. The same critique procedure will be used for the 2nd through 6th place dogs. You WILL be given time to ask questions after each dog is critiqued. We're thankful Joan will be with us for the two days to chat with you, mentor, inspire and generate discussion.

2) Mentors, Mentors and more Mentors - All Day - Both days!!

We are delighted to have breeder-judge and Educator Kay Reamensnyder\*\* join as "Lead-Mentor" for two (2) full days of ringside mentoring in a priority seating area!! Kay will oversee an all-star group of breeder-judges, breeders and handlers who will alternate in and out of the seating area to share in some great, open discussion with you. Kay has been instrumental in the immense success of the American National Education Seminar and Ringside Mentoring programs!! Our Clubs' are so grateful she is joining us here in Vancouver!!

3) "Let them Stand Loose" - All Days - Both Days!!

We are pleased to have local breeder-judge, retired handler and educator Jack Kilgour\*\*\* conduct on-going, small-group temperament testing seminars in both a demo and hands-on manner. In groups of two or three, Jack will first share his experiences with conducting the test. His procedure doesn't differ, be it all-breed or specialty ring! With the cooperation of an available handler and their dog, Jack will conduct the test, generate discussion points and then give you the opportunity to do the test!

\* A family involvement in the sport of dog shows molded Joan Fox and set the standards for Campaigner's German Shepherds. Now approaching 120 AKC Champions we are especially proud of our 2 Time Grand. Victor "Uzi", (Youngest Grand Victor, ROM, most titled Grand Victor) and over 20 Selects and ROM's and Best In Show animals. As a breeder/judge I have been especially honored to have judged males and Specials at the GSDCA National Specialty and have judged the Nationals for all my other breeds I am licensed in. I have always enjoyed my teaching participation in the GSDCA judge's seminars and look forward to a productive session with the GSDCC attendees.

Over the past 30 years Jack selectively bred approximately 15 litters. These litters produced 25 Canadian and American champions, several Selects (National Specialty Award of Merit), a Maturity Victor, 2 Futurity Victrix and a Futurity Victor. He handled a Canadian Grand Victrix, more than 25 U.S. and Can. Selects), and more than 100 American and Canadian Champions.
