The dog may be spayed or neutered provided that it is entered in the show or trial. The junior handler will wear the armband assigned to the dog for the regular event. Substitution of dogs will be allowed during the course of the competition.
2. **Dogs being used in these competitions must be of the appropriate size and temperament to enable the junior handler to compete to the best of his ability. The Junior Kennel Club representative, his designate (or a Show Official if the former are not available), has the authority to monitor and remove a handler and dog from the ring if, in his opinion, it is necessary to prevent a situation which could potentially disrupt the competition.**
3. A junior handler who uses a dog which is not entered in the show or trial will have his wins cancelled for that show or trial.
4. The use of bitches in season in junior competitions is at the discretion of the zone representative excluding PeeWees and Obedience. In the absence of the zone representative, the club shall have full discretionary power on the use of bitches in season.
5. It is recommended that for all junior handling competitions, the Junior Kennel Club Representative or tabulator record the allocated points.
6. Four placements will be made in each class:  
First    Second    Third    Fourth  
100    75    50    25
7. Points are to be tabulated from January 1 to December 31 of a calendar year.
8. Only points awarded at approved CKC events will be tabulated.
9. A copy of the results of the junior competitions shall be posted in a prominent location at the event.
10. If a junior handler competes in a zone other than that of his residence, all points awarded to that handler will be tabulated. A junior handler cannot qualify in more than one zone.
