****NON-MEMBER PARTICIPATION FEE/TCN Number:** The CKC requires all owners of unregistered, recognized breeds entering events to obtain a Temporary Competition Number (TCN). TCNs will allow dogs to temporarily participate in CKC events while they pursue permanent registration or an Event Registration Number (ERN). <https://www.ckc.ca/en/News/2020/March/TCNs-What-Are-They-And-How-Do-You-Get-One> If a dog is not registered individually in the records of the CKC, it may be entered at a trial held under these rules with a Temporary Competition Number (TCN), providing that the number is obtained before the closing date of entries. Once the dog is permanently registered or has an ERN, the TCN will no longer be valid. While there is no fee for the Temporary Competition Number, exhibitors will still be required to pay listing fees (\$10.50) when entering events. The request for a TCN will be self-serve; exhibitors should go to the CKC website to complete an online application and a TCN will be issued instantly. Exhibitors may also obtain a TCN by completing a printed application and submitting it to the CKC, or by contacting the Shows and Trials Division by telephone.
