Our Judges

Jennifer Council Tarrango Reg'd Whippets

Jennifer Council has been involved in training, showing and breeding dogs since 1999. Jenn started in Siberian Husky's and competed in agility and conformation with her first few, she also enjoyed skijoring and sledding and spent a lot of time playing in the snow with her pack. In 2007 Jenn was invited to a lure coursing trial to do some photography and her life was never quite the same. That weekend she went home with her first whippet "T" who went on to become MBIF Weerob There's Hemi In T Fch. It didn't take long for whippets to take over her house. Jenn has now been breeding whippets under the prefix Tarrango Reg'd since her first litter in 2009. Her and her guy, Jason Johnstone live in southern rural Alberta where they share their home with the whippets, a pride of barn/house cats, a small herd of horses and a flock of quail. Jenn continues to show her dogs, though she has not had anything running for a while. Hopefully she will have something to run in the near future, though at the moment there are a couple of co-owned dogs out there to keep the Tarrango name on the field.

Pat Ingram

What happens when you reply to a newspaper ad about lure coursing? You celebrate 43 years in the sport. Bruce and I got our first Borzoi in 1977 and answered an ad posted by the Foothills Gazehound Club in 1978 and have been involved ever since. I acted as the club's first Field Trial Secretary in 1980 having never attended a trial before.

I started judging in 1985 when lure coursing was done under the Canadian Sighthound Field Association. My first apprenticeships were when ALCA ran a three-day trial Thanksgiving weekend. I started out apprenticing everything, but as the weather deteriorated by day three it was only the breeds with the biggest entries, Greyhounds, Irish Wolfhounds and Whippets. I'm a pack rat and still have all the paperwork from my early apprenticeships and provisional assignments. I persevered and achieved All breed status in July of 1988. As a Lure coursing Judge, I also judge Chase Ability events.

Throughout the years we have bred/owned some of the top lure coursing Borzoi in Canada. The three Deerhounds that we have owned showed little or no interest in the "wabbit". We currently are owned by two Ibizan Hounds both of whom have done well in the coursing field. My Canadian judging assignments have taken me from Thunder Bay (when there was a club out there) to Vancouver Island. I have also judged both American Sighthound Field Association and American Kennel Club field trials in Montana, Washington, and California.

Looking forward to seeing some great runs. Tally Ho!!

Lynda Webster

I've been involved with dogs since before I knew who I was. However, since 1979 I have been involved with Greyhounds. These dogs lead me astray to many parts of the world. We took part in the show ring, racing, oval track racing, open field coursing and Lure Coursing. Nearly all my dogs finished their lure coursing championships. Ch. Windwood Count of Monte Cristo FCHX, Ch. Terrible Tinker FCHX, CC (open field coursing champion), just to name my starter greyhounds. Few will remember these dogs today but they are in the history books – somewhere. I was very lucky with my hounds as they were well accepted in the show ring as well as being good performers in the open field, on the race track and of course, lure coursing. I still have the memories of all my greyhounds and the journey we took together, from Canada, to the US, to England, my dogs and I led a life of adventure. ALCA has been my home club since 1979 when I first learned about Lure Coursing. Due to a lot of whippets and not a lot of judges around to judge them (most owned whippets and as you know, you can't judge your own dog) I started on the judging journey in 1984. The sport needed judges then and I think we still need talented and dedicated new judges today. I would strongly encourage more people to take on this fun and challenging task. Remember, you get the best view of all! Today, I no longer have greyhounds but I am still interested in the running dog, and it is still fun to judge all the dogs presented on the field today.

Lee Anne Bateman

CKC Licensed All-Breed Judge

Thank you for the opportunity to introduce myself.

My main breeds are Samoyed, Shih Tzu and Japanese Chin. I bred **Samoyed** under the *Snowghost* prefix for over 30 years and have proudly showed many of them to #1 Samoyed in Canada. My **Shih Tzu** were also bred under the *Snowghost* prefix. I now breed **Japanese Chin**, with partners, under the prefix *Xclusive Chins*.

Other breeds that I have lived with, owned and shown include Greyhound, Pomeranian, Siberian Husky, Basset Hounds and German Shepherd Dogs. Other activities I've enjoyed with my dogs over the years include Obedience, Sled Racing, Lure Coursing, and Tracking.

I have been judging dogs since 1999, and over the years, I have judged in every province across Canada, and have been privileged to have judged at many international events.

By profession, I am an artist and writer. Judging dogs is a passion that I am always happy to indulge.
