

The Southern Alberta Toy Dog Fanciers Society is pleased to offer a

CANINE REPRODUCTION EDUCATIONAL SEMINAR

with Dr. Jeanine Woods, DVM, MS, DACT

on Sunday, January 31st, 2016 from 1 p.m. to 4 p.m. Fee: \$20.00

at the CARE Centre Seminar Room (2nd floor), 7140 12 Street SE, Calgary T2H 2Y4

Progesterone testing and timing for breeding management – PowerPoint presentation discussing the basics for determining the fertile period to maximize the numbers of puppies whelped.

Role of Registries and Breed Parent Clubs – Power Point presentation discussing the ethics of breeding dogs and the responsibility of purebred breeders to select genetically healthy dogs.

Dr. Jeanine Woods DVM, MS, DACT is a specialist in small and large animal reproduction. Dr. Woods is a graduate of the WCVM and the University of Wisconsin-Madison (MS, Reproductive Physiology). Her memberships in veterinary and dog related associations include the Society for Theriogenology, CVMA, AbVMA, AAEP, CKC, and the Samoyed Club of America.

Dr. Woods enjoys working with conscientious breeders whose goals are to produce healthy, genetically sound puppies who become loved and cherished family members as well as excellent representatives of their breed. She is supportive of health clinics for genetic testing (OFA and CHIC) and encourages breeders to pursue genetic tests recommended by their breed parent clubs. The referral reproductive services she offers at the Woodlands Veterinary Hospital, Calgary are monitoring estrous to determine the fertile period, semen evaluation, shipping cooled semen, freezing and storage of frozen semen, artificial insemination, and perinatal care of litters. Dr. Woods looks forward to helping breeders achieve their goals.
